year I wish I got
to know you earlier. That's
how we could get to know you
better. I hope you keep in
touch with me because it's only
me and you know. Have a nice
summer. and take care of your self
I'm very sorry that you and Joe didn't
stay with each other. But you and
Fernando makes a good couple. and
please stay with him and don't let
him go. Because if you let him
go you will not get another chance.
I hope we get to go out on summer vacations
with couples. like you + Fernando + Maria.
like going to the Beach or shows. or any place.
If I don't come back to the R.O.T.C. I'll try to
visit every day. and if Garge comes and stay
with us. all stay to. Maybe.

Thank You + God Bless You
For Everything! Judy

To Rosanna a really

HALLOWEEN

The Transformation of Student Bodies.

A day of strange happenings and odd sights at R.H.S. is common, but today was a particularly active day. Why? Because it's October 31, Halloween. Vampires, witches, and pumpkins were everywhere, not to mention clowns, bunnies, dogs, and other sights that spotted the Roosevelt campus. A Halloween Dance was sponsored by Sophomore Class the previous weekend to set the spine tingling mood. And, on Halloween Boy's and Girl's League sponsored a noon dance featuring Misty Moods. Overall, Halloween was another great day at Roosevelt High that added to the highlights of the year.

1. Roosevelt High Schools playboy bunny. 2. Even the daycare center participated. 3. The Great Pumpkin strikes again. 4. Roosevelt's high society. 5. Chris and Marcelo enjoying a midnight snack. 6. The wicked witch of East L.A.

FOOTBALL

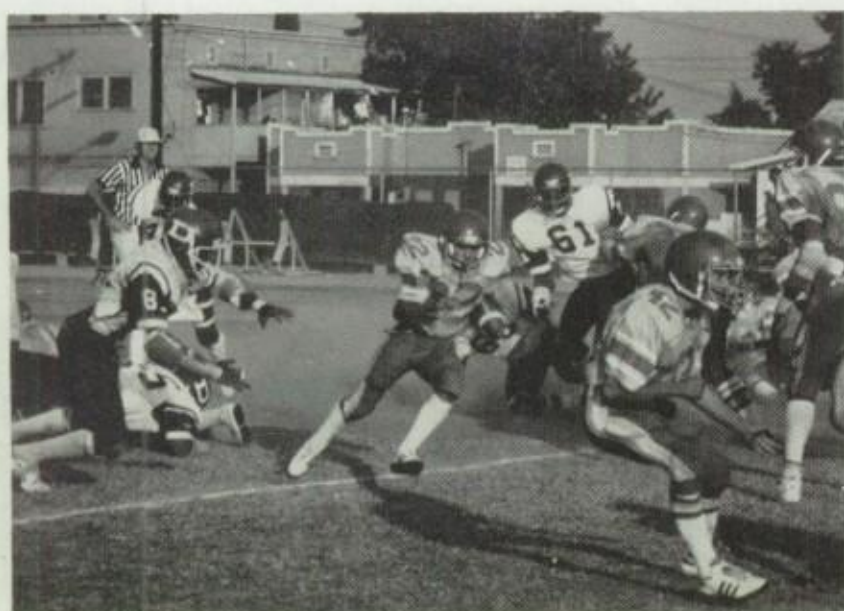

"IT WASN'T THEIR YEAR"

Due to the 1979 winless season it is difficult to write a story about our football year. Although with the great tradition here at Roosevelt, many long-hard hours were put in with the results turning out not in our favor. The season was heart-breaking for many players, but they did not give up. Players such as Gary Hearn who turned out to be one of our outstanding athletes at tight-end and linebacker, finished the year with good statistics. Another player by the name of Albert Orozco was considered by the coaching staff the most consistent lineman, both offensively and defensively. Miguel Granados the smallest of the varsity players provided

us with his talent at running and defensive back. At the receiver spot, Alvar De La Torre demonstrated his abilities to catch the ball. In looking at next year, players like Derek Han, George Pena, Jimmy Guillen, Gabriel Valenzuela, all returning varsity lettermen, will add a new dimension with the one year of varsity experience. The coaches and the team members both agree that it was a very discouraging and disappointing season. There were many contributing factors for the losing season, but they are all looking forward to a much better season next year.

ROOSEVELT'S ROUGHNECKS

The junior varsity football team after losing three straight battles didn't give up. This "bunch of roughnecks made steady improvement throughout the season". The J.V.s more than proved this by winning the last three and tying one of their remaining six games. Some of the highlights of this years J.V. football team were for instance at Jordan; Roosevelt scored when Juan Escamilla cracked back his arm and launched a 65 yard bomb which landed in the waiting arms of Gus Gonzalez for a score. In the Belmont game after trailing behind 6-0, Roosevelt came back to score thirteen unanswered points; the

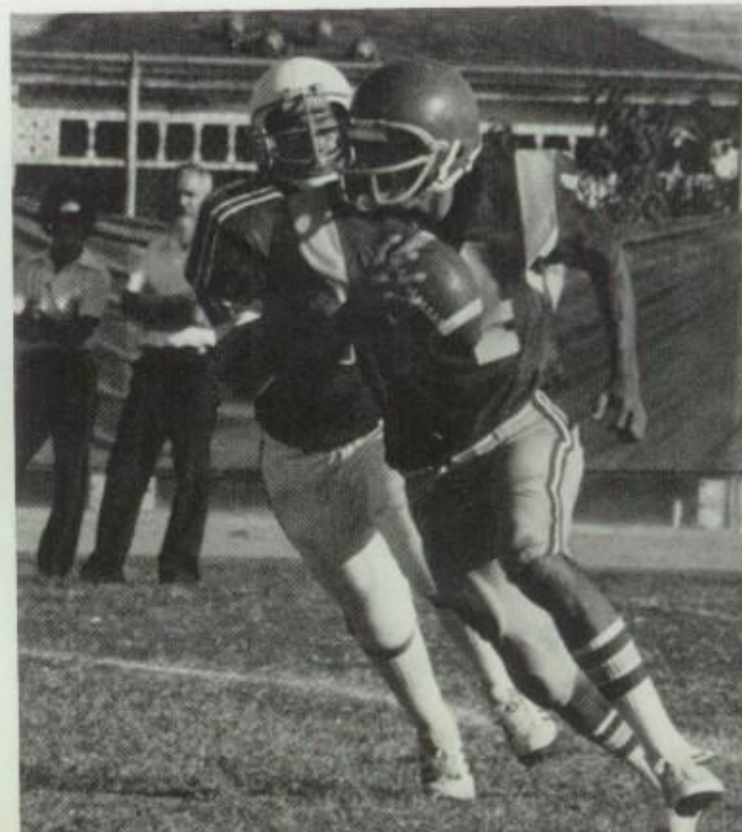

last touchdown was scored on a 45 yard fumble recovery picked-up and scored by Oscar Barillas. The most exciting game was against Granada Hills. With GHHS on the two yard line the defense caused a fumble, breaking the momentum of GHHS. Afterwards, the J.V.s ripped off three touchdowns on runs by Arcadio Tellez, Louie Talavera, and Juan Escamilla. The J.V.s had a tough schedule which included 4 (4A) teams 1 (3A) team and 4 (2A) teams, but through all this the J.V.s proved themselves to be true Rough Riders, never becoming discouraged always fighting and playing good competitive football.

ENCOURAGING BUT FAULTY

The Bees had a very encouraging season. Although they did not repeat as Eastern League champions, they had a very impressive winning season (5-2-2). The encouraging notes are the return next year of all-leaguers Jesse Romero at wide receiver, Richard Munoz, and Andre de la Torre at lineman on offense, and on defense Art Campos as linebacker and Darren Butler at defensive end. Other standouts on the team include quarterback Rafael Pineda who will also be returning, and tenth

grader Curtis Taylor who made steady improvement on the defensive line.

There were many exciting moments provided by the teams for their loyal fans. One of the memorable plays was Jesse Romero's seventy yard touchdown via an interception and thrilling run against Eagle Rock.

Our Bees were short on experience, but great in enthusiasm and effort. Next year out football program should surely improve overall.

VARSITY STORY

"A GOOD SHOW"

With a record of 7 wins and 3 loses the girls varsity basketball team ended the season in third place in the league. The team was excellent this year but a strong Franklin team just could not be defeated. Players such as Charlene Vasquez and Carolyn Maruya were a definite asset to the team due to their scoring power and

defensive tact. Other definite assets were Pat Simpson and Lety Gasga. This years team was relatively fresh composed of mostly new players with 2 returning and 2 former J.V.'S. Aside from the fact that the teams coach Mrs. Mochizuki was new, the girls played a great season with an outstanding show of rider pride.

Riders Make Play-Offs

Roosevelt Roughrider Varsity basketball squad placed third in the final Eastern League standings which qualified them for the city play-offs. The Riders did this by winning their last two games, which were against their arch-rivals the Garfield Bulldogs and the Bell Eagles. This season's leaders on the court were seniors Eric Jones and Art Ware who were also the team captains. Jones and Ware scored 20 and 18 points respectively in the victory over Bell, which was also their season averages.

Some of the bright spots in the season were the upset victory over South Gate early in Eastern League Play. The

Riders also placed second in the Franklin Invitational held in December.

In the play-off game against the Belmont Dons, it looked like a long night was in store for the Rough Riders down by 11 points after the first half of play. Just like the Riders have been doing all season long they pulled to within two points of the Dons and made a run at winning the game but fell short 70-72. Eric Jones punctuated his career as a Rider with a point blank slam dunk at the buzzer. Eric Jones finished the game with 22 points, Art Ware had 28 and Alvar De La Torre had 16 points.

GIRLS TAKE LEAGUE

Rider pride and the power to succeed: that's how the junior varsity girls basketball team captured the title of Eastern League champs. With a record of 8 wins and losses, the girls played a rematch against Franklin defeating them and showing them who had the power.

The girls had a strong team consisting of mainly new sophomores and juniors, with only one returning player. The leading scorers Margaret Perez, Linda Rodarte, and Sophia Rodriguez were the basis of it all. Velma Vasquez was one of the best on defense.

Upon reaching the city finals, the girls lost to Chatsworth, due to the loss of Velma and an emotional let down. Gene West the coach had through all along that the girls would make it to the play offs. Through his pressure and close relationship with his team, the girls had an excellent season, definitely the best in years.

"Had A Good Season"

The Junior Varsity Basketball team had a very good season this year their record was a very strong 8- 6 one of their best ever. One of their most exciting wins was the romping of our cross town rivals the Garfield Bull Dogs in the 2nd Round.

This years outstanding players were senior Ernest Jones and Juniors, Jesus Sosa and Willie Adame.

THE NEW COMBINATION

The Teds under the new management of coach Burton Ipp successfully finished up the season with a 6-4 league record. The return of Derek Han and newcomer Mike Rubio were a key asset to the team's success. The new combination of Han as guard and Rubio as rebounder contributed to many of the team's wins. Both players were leading scorers for the team and both were picked for first team all Eastern- League teams. (Derek Han was picked for first team all Eastern-League honors and Mike Rubio for second team).

In spite of a new coach and a new system the team was consistent and gave it their all. The coach was very pleased with the players performance this year and looks forward to a better season next year.

PADILLA'S COME BACK

The Little Riders under the new management of Burton Ipp ended the season with 2-8 league record. Armando Padilla, originally cut from the team, hung around as a reserve to eventually become a starter and end the season as the leading scorer for the team. He was also chosen by the coaches to the second team all Eastern-League team.

Although games were lost by large margins, the Cees managed to hang on close behind. The team's lack of success was explained coach Ipp, "... due to the fact the opposing players were just too tall." The Cees provided a good season as well as an exciting one.

GIRLS DEMONSTRATE PRIDE

By starting off their games enthusiastically the sportsmanship of this year's girls varsity volleyball team shined through.

The Riders made it all the way to the city playoffs, but were overcome by Carson High in the first round. Although the big games were won by the opponets, they played very well throughout the season and showed good effort in all the games.

Seniors Pat Medal, Luz Cervantes, and Junior Lydia

Loera were three of this year's top players. Their strongest point was their serves which lead them to a great start. Whether the game was won or lost it was the way they played that made them proud. They ended in third place.

A special thanks to Mr. Maki for his assistance to Ms. Washington in her first year of coaching. Coach Washington invites all girls to try out for next year's team.

TEDDIES IMPROVE

The Junior Varsity volleyball team had a sub-par year. They started the season by dropping their first two games, but did muster up a win against the Eagle Rock Eagles.

Even though they did have a disheartening record they rose to the occasion and beat our cross-town rivals the Garfield Bulldogs.

The girls did improve as the season went on, one of the main problems they had was shortage of team mates. Some of the outstanding players this year were setter: Hisako Natsume, and hitter: Diane Carillo. Most of this year's team will be on the Varsity team next year. Ms. Washington feels that next year's team will do very well.

HOT SHOT

This year's J.V. tennis team made a great effort in trying to improve

While speaking to coach Berokoff, he commented, "My team players are very hard-working students who love tennis very much; most of these students started playing in high school. I wish the very best for my team in the future, especially against South Gate and Huntington Park."

This year's team has improved a great deal from last year's team. The following students have showed a great deal of participation in this years J.V. team: Fernandez Cortez, Cesar Martinez, and Dae Ung Min.

GREAT TRIBUTE TO TEAM IN TRYING TO BECOME #1

One of our outstanding tennis players this year is Ray Najera, who can make most tennis teams at most small colleges at this time. Six to seven of our tennis players can become fine, excellent players. Our returning players are Marlon Okazaki, Ray Castro, Joe Cabrera, and Enrique Andrade. While speaking to coach Berokoff, he commented that: "My team has improved a great deal from last years team. I wish more people would take up tennis since it's a life time sport. Also may I include that I wish only the best for my team against their opponents South Gate and Hungtington Park.

IN DEEP WATER WITHOUT A POOL

"Murphy's law, anything that could have gone wrong went wrong." Coach Florian had to say. This year's swim team ran into difficulties due to a malfunction, and the pool had to be drained. The team had to travel to Yosemite Park every afternoon. They had to cancel the first few practice meets because either they did not have the bus or the weather was unfavorable.

There was originally 28 members on the team, but they ended up with only 15. Many of the team members lost interest, because they didn't like the idea of traveling everyday and getting home late.

Although they had a rocky start, Coach Florian feels the team has potential to improve on their record. One of the reasons he feels this way is because the team has strong members. The only thing missing is more swimmers to bail the team out. One of the strong members on the team, who is a returning swimmer, is Jaime Fernandez. Also tenth graders that show very good potential are Ricardo Ibarra and Rosendo Cruz.

This is the beginning of Mr. Florian's first year coaching at Roosevelt. The swimming team has run into some hard luck, but has done very well under the circumstances. He feels the team is strong and has power to overcome all.

"STILL NUMBER ONE"

This season proved to be a very exciting one for the Girl's Tennis Team. They had a good start right from the beginning and kept it up all through the season. They did an outstanding job, and had no trouble at all in defeating their competition. Their only downfall came when they were defeated twice by Eagle Rock and placed second in Eastern League. They also qualified for the playoffs, this being their third year in a row.

Some people who made up the team were Selmira

Tellechea, singles no. 1 player and also captain of the team. She proved her leadership by her remarkable ability to play. Doubles no. 1 Yolie Grado and Mary Gonzales, had no trouble at all when they combined their skills and talent. Mayumi Matsumoto and Carmen Barajas also played outstanding sets of singles. With Mrs. Waggoner's great coaching ability combined with the team's strong efforts, the season turned out to be successful. Our congratulations to our Tennis Team who are still number one!

VOLLEYBALL

LITTLE MEN STAND TALL

The boys Roosevelt spikers, for the first time in ten years, are participating in the Eastern League Championships. Coach Ken Maki along with Ms. Chang had attempted to form a volleyball team for the past two years without success. Finally, they started to practice every Tuesday night last year. Slowly more boys became interested in forming a team. The reason why it didn't get started last year was that only a certain amount of coaches are allowed to teach. After two years of their determination and persistence, it payed off this year.

The team is mainly made up of seniors with one sophomore on the team. The success of three out of four wins in practice games was attributed to the talents of Higinio De La Rosa and Juan Delgado, as spikers and Ray Castro as setter. Coach Ken Maki had to say that the only difference between the other schools and Roosevelt were that most other players were taller than Roosevelt team members. The average height of the other players is 6 feet tall and the Riders is 5 feet 8 inches. The coach is confident that his team could capture the Eastern League Championships.

EXPERIENCE IS ALL WE NEED

The newest team is mainly made up of sophomores and one senior. They are young, energetic and spirited to over come all. Many of the tenth graders that come from Hollenbeck and Belvedere began getting involved last year in coming to the advertised parties for a volleyball team.

Most of the valley schools have programs involving elementary and junior High boys in volleyball teams. Coach Ken Maki hopes that more elementary and junior high school boys will get envolved because they can develop better skills from the start. He hopes that in our communtiy a program similar to this will be developed. For his team, he feels there has been a good change. The only thing that they're lacking is experience.

Roosevelt's future is in this year's volleyball team. The games are exciting and overwhelming. The speed that the ball travels is amazing. Our opponents are amazed that Riders can stand their ground. The sport is an asset to the school.

"A ROUGH GOING"

It was a little disappointing for this year's Bees and Cees swimming teams when they found the going a little more rough than they thought. The competition was tough all through the season, but as a team, they stuck together and gave it their best. Top swimmer and 10th grader Becky Spindola, did remarkably well on the team and went on to compete in the city finals. She was in the Cees 50 free style and placed 5th in the city with the outstanding time of 28.94 seconds.

The teams first meet at Gardena turned out to be a bit discouraging when both the Bees and Cees lost

with scores of: Cees R-41, G-67; Bees R-14, G-105. The Cees did much better against South Gate when they won with the score of: R-76, S.G.-51. The Cees proved themselves again when they beat Huntington Park, R-75, H.P.-30. The Bees however, lost with scores of R-28, H.P.-92. At Bell, it was a different story when the Cees lost by a close score of R-24, B-28.

"We did much better this year than we did last year," commented swimming coach Mrs. Shaffer. "We lost very few swimmers this year, so next year should be a very good season. I enjoyed working with the team and I'm looking forward to next year".

"RIDERS ALMOST CHAMPIONS"

The season for the 1979 soccer team was very difficult, but they really worked hard and played to the best of their ability, doing a very fine job during the season. The last game was played against Franklin which was very difficult. The riders kicked the ball to the goal line, but missed all their opportunities. They played the first and second half with a lot of difficulties but without goal, then they played over time with Franklin scoring one goal, making Roosevelt lose the game.

The riders won second place in the league, with their most valuable player Oscar Aceves (1), and outstanding players Hector Gonzalez (12), Sergio Calderon (8), and Jose Ceja (5), with Ruben Perez (10), the leading striker.

Coach Jose Luis Lopez said that next year it will be better due to more experience and more power in returning players, such as Francisco Guerrero (3), Carlos Miranda (15), and Fernando Lopez (2), also, he said that they are going to try to win the championship next season.

FANTASTIC YEAR

The Boys Junior Varsity crosscountry showed great improvement from last year's season. The Junior Varsity ended their season with a strong 6 wins and 1 loss, the loss was at the feet of Carson High which was their first meet. After that first loss they proved their great Rider spirit and romped the rest of their opponents, this included a fifteen to eighty-two wipe out of the Garfield Bulldogs.

The Junior Varsity took first place in the pierce league meet. In the city prelims they took second place.

TRACK TAKING IT TO THE FINISH

Striving for their goal was their biggest effort. It took a lot of time, work, and enthusiasm to make Roosevelt's Varsity track team. Before each track meet the boys worked out everyday after school to prepare and improve on their techniques. It was not all fun and games for the boys at the meets. It was hard work that included a lot of excitement and disappointment for them.

As the season began the team was not doing as well as

possible, but there were some strong individuals such as top athletes; Ernest Baham in the 100 and 220 yard runs; Jose Martinez 440 yard run; Jeff Stephens long and triple jumps; and Gilbert Salazar shot putter.

Coach Duran predicted Jordan and South Gate will be the toughest challenges. It doesn't matter how great the loss or how triumphant the win, the team never failed to display their excellent sportmanship.

OUR BEE'S GOT THE BEAT

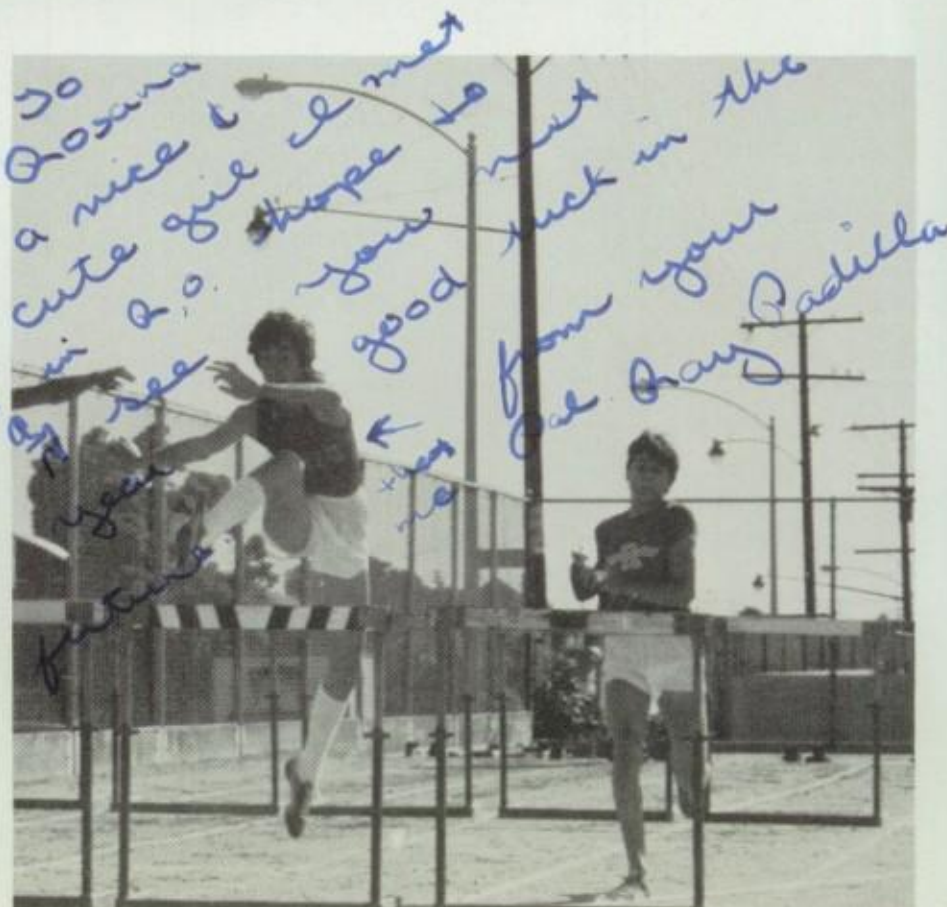

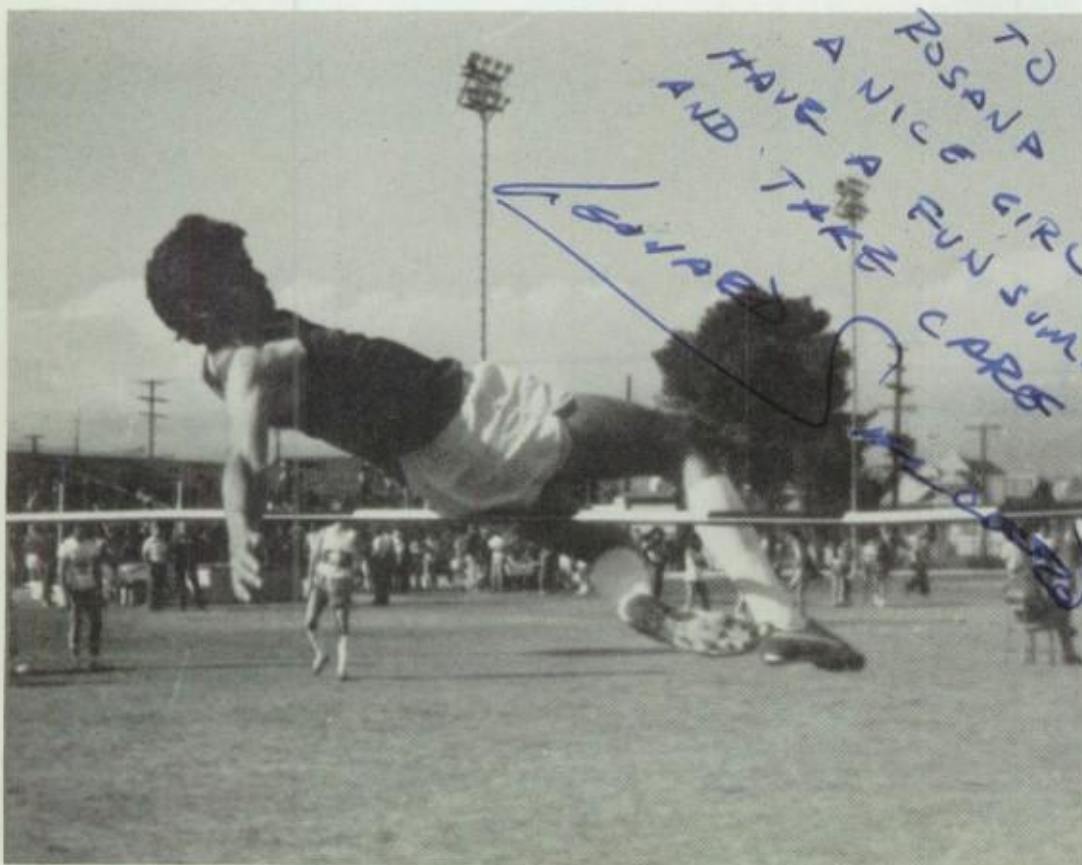

Our bee's got the beat. . . That cheer does not only apply to our Rider Football team but also applies to our Bee track team. Our Bee track team is right up there with the best high schools around. Coach Duran feels that this years toughest opponnets are going to be South Gate and Huntington Park. Thus far the Bee's have mustered a tie with South Gate and are yet to play Huntington Park. This years top runners are Alex Lopez who's top events are the 100 and 200 yard sprints; Antonio Vasquez 440 relay, long jump and pole vault; David Diaz the mile and 880 yard relay. The relay team consists of Tony Vasquez who runs the first leg, Alex Lopez who runs the second leg, Peter Quntanilla who runs the third leg, and Miguel Ruelas who pulls up the rear.

This years coaches are Mr. Duran and Coach Italliano. This is Coach Durans' first year here as a teacher at Roosevelt. He feels that the Bee's all have "good Sportsmanship", and should have a good season. OUR BEE'S, HAVE, GOT THE BEAT.

HOPE FOR THE FUTURE

Roosevelt's Cee Track Team although having very little success this year looks very promising in the future. Coach Duran still thinks that the Cee's will have a successful season.

This years most promising runners are Carlos Mejia, Sprinter, 100 & 220 yard dashes and relays, and Jesus Villapando, long distance runner in the 880 and mile run. The moral and sportmanship of the teams is very good and the Cee's give their's all the time.

This years toughest opponents will probably be Jordan and Southgate, and so will all the other schools which they compete against. But all of us rider's hope were just a little bit better.

VARSIY TRACK

GIRLS' TRACK ON

The RHS girls' track team may not be a large one but it is talented, according to the team coach.

"We don't have a whole lot of girls, but the ones we have are good," said Coach Dave Perea. In a recent interview, Coach Perea talked about four juniors who are leading this year's team. Two of the veterans he cited are Valerie Ybarra, who holds the school's 100-yard low hurdles record; and Margaret Perez, whom Coach Perea called "excellent" in the sprints and 440-yard dash. Running the 200 and 880 is Anna Barillas, called by her coach a "good, all-around athlete." Coach Perea indicated that Jenny Green is the most talented returnee. She runs the half-mile, mile, and two-mile distances. "Jenny's a hard work-

er with talent", said Coach Perea. Green's talents last year earned her a place in the state competition. There she finished 15th among California's top high school female athletes in the two-mile run.

According to Coach Perea, this year's promising newcomers included Junior Laura Williams, who was in the 200, 440, 440 relay, and long jump; and Marlene Bell, a 100, 880 relay, and long jump participant. This year, the 20-member team was competing in the newly formed Eastern league. The team's competition included Garfield, Jordan, Bell, Huntington Park, and North Hollywood Hights.

YOUNG BUT CAPABLE

The boys varsity baseball team is a young and very capable team. They have yet to find the winning combination. Their only win thus far in the young season was against Jordan. This year's team is mostly made up of juniors. The two seniors on the team are Albert Orozco, and Manuel Lopez.

Roosevelts' toughest opponents this year are probably Huntington Park and South Gate, who went to the city

Finals last year. Although Roosevelt had only one win thus far, their desire to be successful and their desire to be good, is strong. Coach Rodriguez feels that if they cut down on their mistakes they will be pretty good and have a good and successful season.

Next year promises to be a even more successful season where this years juniors will have a year behind them and will become veterans.

BRIGHT FUTURE AHEAD FOR LADIES

This year's softball team has shown an improvement over last year's team. These girls have been working hard and long hours after school to improve their skills and performance and are looking forward for a great season. Two major changes of the varsity team has been the moving up of coach San Giovanni from the J.V. team to the varsity. Surprising enough, the team has many more sophomores than the recent years. A sophomore who has contributed to the team is "DEE DEE" Torres with her outstanding pitching. Liz Viramontes is also another outstanding ath-

lete at first base. The return of junior Lydia Loera has also helped the team a great deal. These girls along with the rest of them have made a great effort to improve their season.

Coach San Giovanni is confident that his girls have a bright future. He had to remark as far as the standings go, Roosevelt seems to have a very good chance of capturing in the Eastern league Title.

VARSITY FARM CLUB

This year and in years past the J.V. baseball team is known as the "Varsity farm club". This is true for the reason that if the J.V.'s play good and well enough they will play on the Varsity squad in their 11th and/or 12th grade year(s).

This holds true here at Roosevelt where the J.V.'s are flying high, so far in league play. They romped cross town rivals, Garfield 13-3 and stomped Jordan 27-0 both of which were called Bulldogs. Coach Drake feels that this years toughest opponents is going to be Bell. He also added that the J.V.'s are going to have a successful year because of their determination, desire, and their hitting ability.

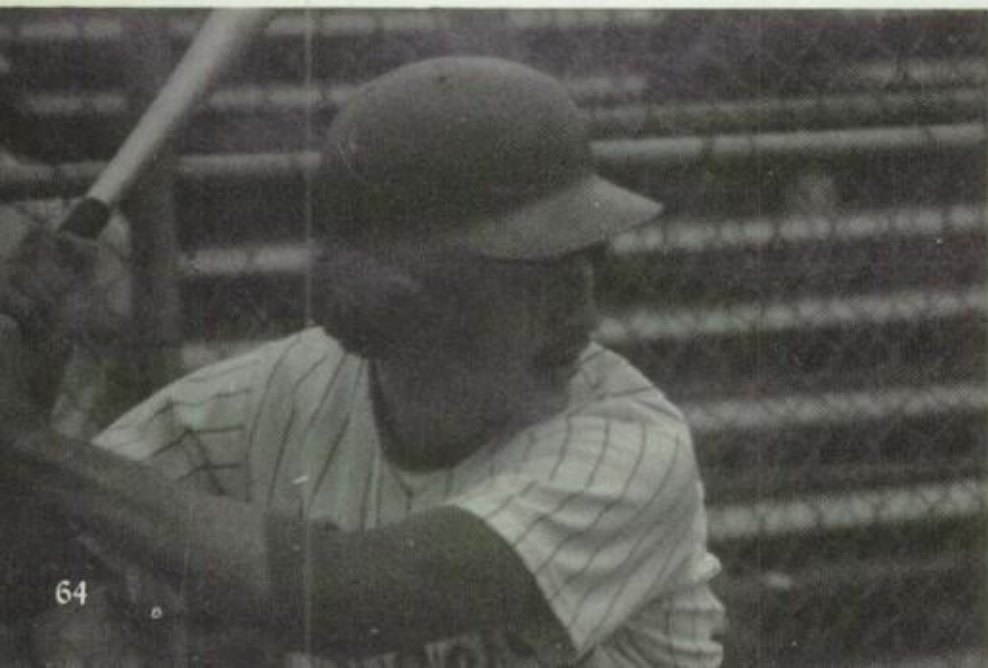

The outstanding players this year are Rene Leyva, Denicio Magillon, Jose Perez, Adolfo Ramirez, George Pena, Marvin Stephans, and Manuel Peluna.

In closing Drake said, "I think we'll be in it all the way...and take it all".

A SEASON TO LEARN

Although the J.V. team did not get off to a good start this season, they are proudly showing steady improvement. With the hard work and strong will of these Riderettes they are sure to move up on the ladder of top schools in softball competition.

With the support and encouragement of this year's new coaches, J. Irwin and T. Rodriguez, the team shows great potential. The team is mainly made up of sophomores and juniors. This is a year of trial and error for the players. A year to build up their skills and techniques for a more promising season in the future.

GYMNASTICS

TIME SHOWS PRIDE

Gymnastics is a sport of true skill and determination. One can clearly see and feel the effort put forth during each gymnastic meet, whether it be the strength and skill shown by the gymnast on the skill rings, or the composure seen on the side horse. Each and every spectator can appreciate the talents of the gymnast. Talent calls for patience, timing, pride, hard work, dedication and improvement. But sometimes they experience setbacks and disappointments.

Our Roosevelt gymnastic team has shown their talents and proved to us that they are truly Rough Riders. According to Coach Bautista, this years superb athletes are: Michael Contreras, Malcolm Prevost, and Eric Frazier. Coach Bautista commented, "For a young team there's a lot of future potential. I hope that my team can defeat our opponents South Gate and Huntington Park.

This year the gymnastic team has a girl teammate, due to the fact that she was removed from the girls gymnastics team. Since Mr. Bautista did not want to lose her gymnastic ability, he placed her in the boys' team.

BIGGEST TEAM YET HOPES TO LIVE UP TO '79 CHAMPIONS

More than 25 young ladies make up the largest girl's gymnastics team in the history of Roosevelt girls sports. They seek to live up to the high standards of last year's team as they take on a very tough schedule. The first league meet was against another '79 league Championship team, South Gate. The Rams have dominated their league for the past several years. Following a meet with Los Angeles and Washington, Roosevelt's team was matched against another top '79 city team, Dorsey, and rounding out the

regular season with former league champs Wilson. The returning girls from last year's league championship team and 5th in the city finals are Chris Chora, Juanita Ellsworth, Irene Apadoca, Amanda Flores, Liz Araiza, Ana Parra and Lourdes Tellez. These girls and the new members of the team are trying their very best to make it to the 1980 league championship with the help of their coach Al Perez. When asked about how the team is doing coach Al Perez' response was "They're Great".

FAREWELL TO THE 70'S

Giant posters, photos, free balloons, and fliers dominated the Roosevelt campus during the preceding weeks of Homecoming. Gimicks never before introduced were used and copied like mad. Unlike years before, this year's candidates consisted of a large amount. There was a total of thirty girls and fifteen boys running for the positions of King and Queen, not to mention the amount running for princesses and, as another first, for prince.

Sunday, November 11, 1979 was Homecoming Day, featuring the crowning of this year's King, John O'campo and Queen, Sylvia Martinez. John O'campo's victory showed what campaigning could do for an election, considering he introduced many of the new gimicks. Other members of the court were: for the junior class prince Victor Urias and princess Sonia Rocha; sophomore class, Nico Perez and Letty Lara; and E.S.L. class, Martin Flores and Araceli Davila. After the food and music and fun during the day, many of the students enjoyed a gala evening with the sounds of Misty Moods at the Quiet Cannon Country Club for the Homecoming Dance.

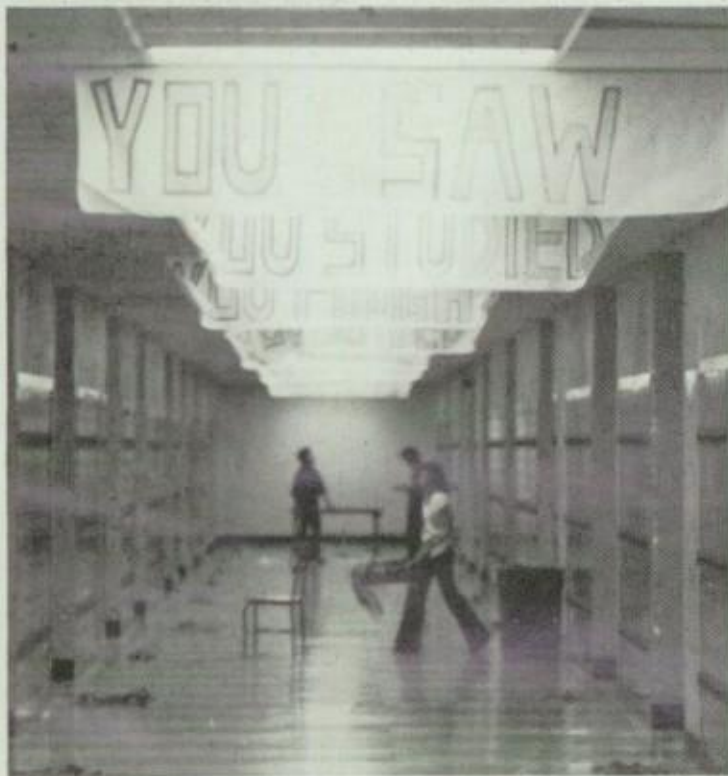

On Tuesday, November 13 a luncheon was held at Luminarias where Roosevelt's Homecoming Court met with Garfield's.

Wednesday, November 14 was Beat the Bulldog's Fair where clubs and organizations sold food, buttons, pom-poms and a number of other things. That evening was also Spirit Hall competition, where the senior, junior, sophomore, and E.S.L. classes competed against each other for the best decorated hallway to this year's theme, "Farewell to the 70's".

Thursday, November 15 was Jersey Day a presentation of the football players. There was also a well attended pep-rally on the football field with balloons, fliers, carnations, and jerseys. It was a colorful sight to behold. During the pep-rally, cheerleaders pinned football players for good luck in their big game against Garfield the following evening.

Friday, November 16 was the culmination of homecoming activities, and also the last football game of the season where Garfield came out triumphant at this event. The E.S.L. class was presented the plaque for best decorated hallway and the homecoming court was presented to the crowd. The Roosevelt vs. Garfield game, otherwise known as the East L.A. Classic, is well known throughout the Los Angeles District. 18,000 people attended the game and the approximate profit was \$24,000 which was divided in half between both schools.

Homecoming was not only one of the best in years, but was one of the most successful and colorful.

HEALTH FAIR 79-80

On Wednesday December 5, 1979 Roosevelt had it's annual health fair. This fair helped students find out more about heart diseases, pregnancy, drugs, how to take care of feet and teeth. Students also had people from different health agencies take blood pressure and blood samples. All this was organized by the Red Cross Medics.

During lunch several clubs participated in the health fair by Selling different kinds of foods such as: taquitos, tacos de carne asada, orchata, frozen yogurt and cucumbers.

The health fair was both informative as well as enjoyable to all. It was definitely a good way to end the 70's.

POWDER PUFF FOOTBALL

On Friday, March 14, 1980 Roosevelt held its first powder puff football game between the Junior and the Senior girls.

At noon, the day of the game, the cheerleaders held a pep rally during lunch in the quad area where the team members and cheerleaders were introduced. The cheerleaders gave a short presentation of their cheers. They were very witty and made everybody roar with laughter.

The game started with the Seniors having the advantage. Carmen Chavez intercepted a pass which later resulted in a Senior touchdown scored by Rosalva Cleveland. Later, in the second quarter, the Juniors gallant efforts to tie the score, fell one point short. Sylvia Coronado scored a touchdown for the Juniors; the extra point was missed. Half time score was 7-6.

During half time the band, the drill team, and the cheerleaders performed. Best of all the humorous cheerleaders greatly amused the audience.

The second half began with the Juniors again determined to overcome the Seniors. Lilia Loera scored a touchdown for the Juniors, but an illegal procedure penalty nullified the touchdown. When the second half began, the very confident Seniors marched in for another score by Patsy Martinez.

The game ended with the score 14-6.

NOCHE DE GALA NAVIDENA

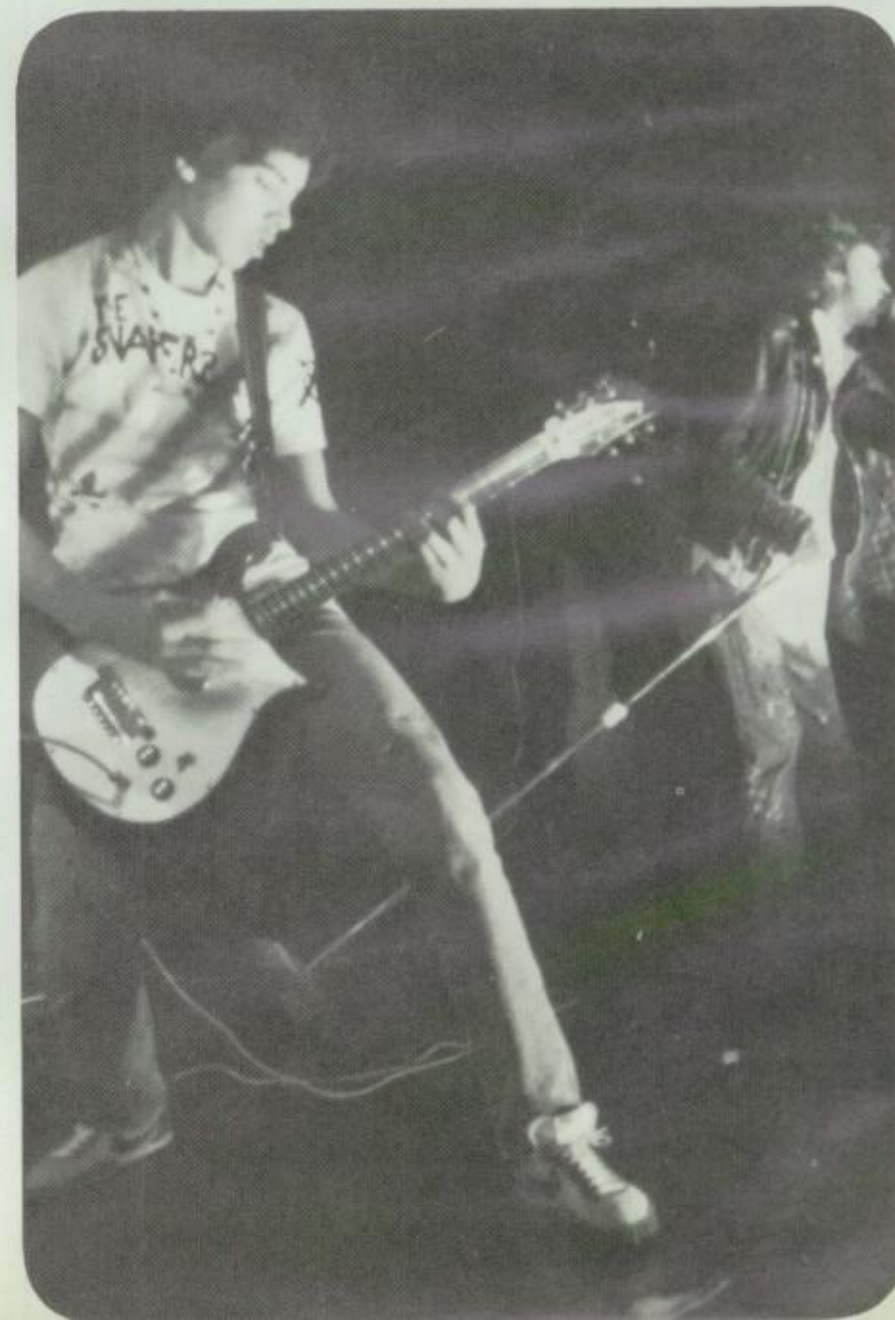

Thursday, December 20, 1979 Roosevelt had it's annual Folklorico program, which was held in the school auditorium. 650 people attended this program, and enjoyed listening to the first mariachi group Roosevelt has ever had. There were different kinds of dances performed from several parts of Mexico. Mrs. Sandoval the Folklorico teacher, when asked about the profit, said that the money that is made is used to make more costumes. It was both a cultural and exciting experience for both the community and students.

JINGLE BELL ROCK

Friday, December 21, 1979 students from Roosevelt and friends gathered in the boy's gym to celebrate in a dance for the coming of Christmas. The dance was from 8:00 p.m. to 1:00 a.m. featuring a D.J. from the Cricus Disco.

During the dance they had an intermission, at that time they chose the queen and king. They were chosen through a raffle. Mr. Kendrick pulled out tickets corresponding to Sylvia Diaz and Alex Lopez, both were crowned king and queen for the jingle bell rock which signified the end of the 70's.

ROOSEVELT'S TALENT

Friday, December 21, 1979 Roosevelt had its first talent show. The talent show was formed by students who came to Roosevelt as well as students that had graduated. The purpose of this show was to discover the many different talents that students have. There were ten different acts. They were represented by different ethnic groups. The majority of the performances were dancing acts. The competition was hard but three acts had to be chosen as the top winners. The first prize was \$100.00, the winner was a band composed of ten members called "BAD HABBIT" they had an outstanding trumpet soloist who started that terrific melody "Feels so good", the second prize was \$50.00, the winner was a quartet who sang soul songs without music; the third prize was a trip to Magic Mountain. There was a tie between the cheerleaders and the Last Minute Band. The cheerleaders were a male quartet that demonstrated that they can be just as good as female cheerleaders. The talent show became possible thanks to all the alumni who participated and to Mr. Kendrick the drama teacher here at Roosevelt High School. And a special thanks to all the participants.

ALMOST ANYTHING GOES

January 8 through January 22, 1980 the "Almost Anything Goes" tryouts were held here in The Roosevelt gym, and football field. Two groups of eight competed against each other in a variety of crazy games, like marshmallows on a string, stick your face in a pie, put baby clothes and drink a bottle of water and many other different events.

There were 22 teams in total competing during the two weeks and a half, the triumphant team was "The Unknowns."

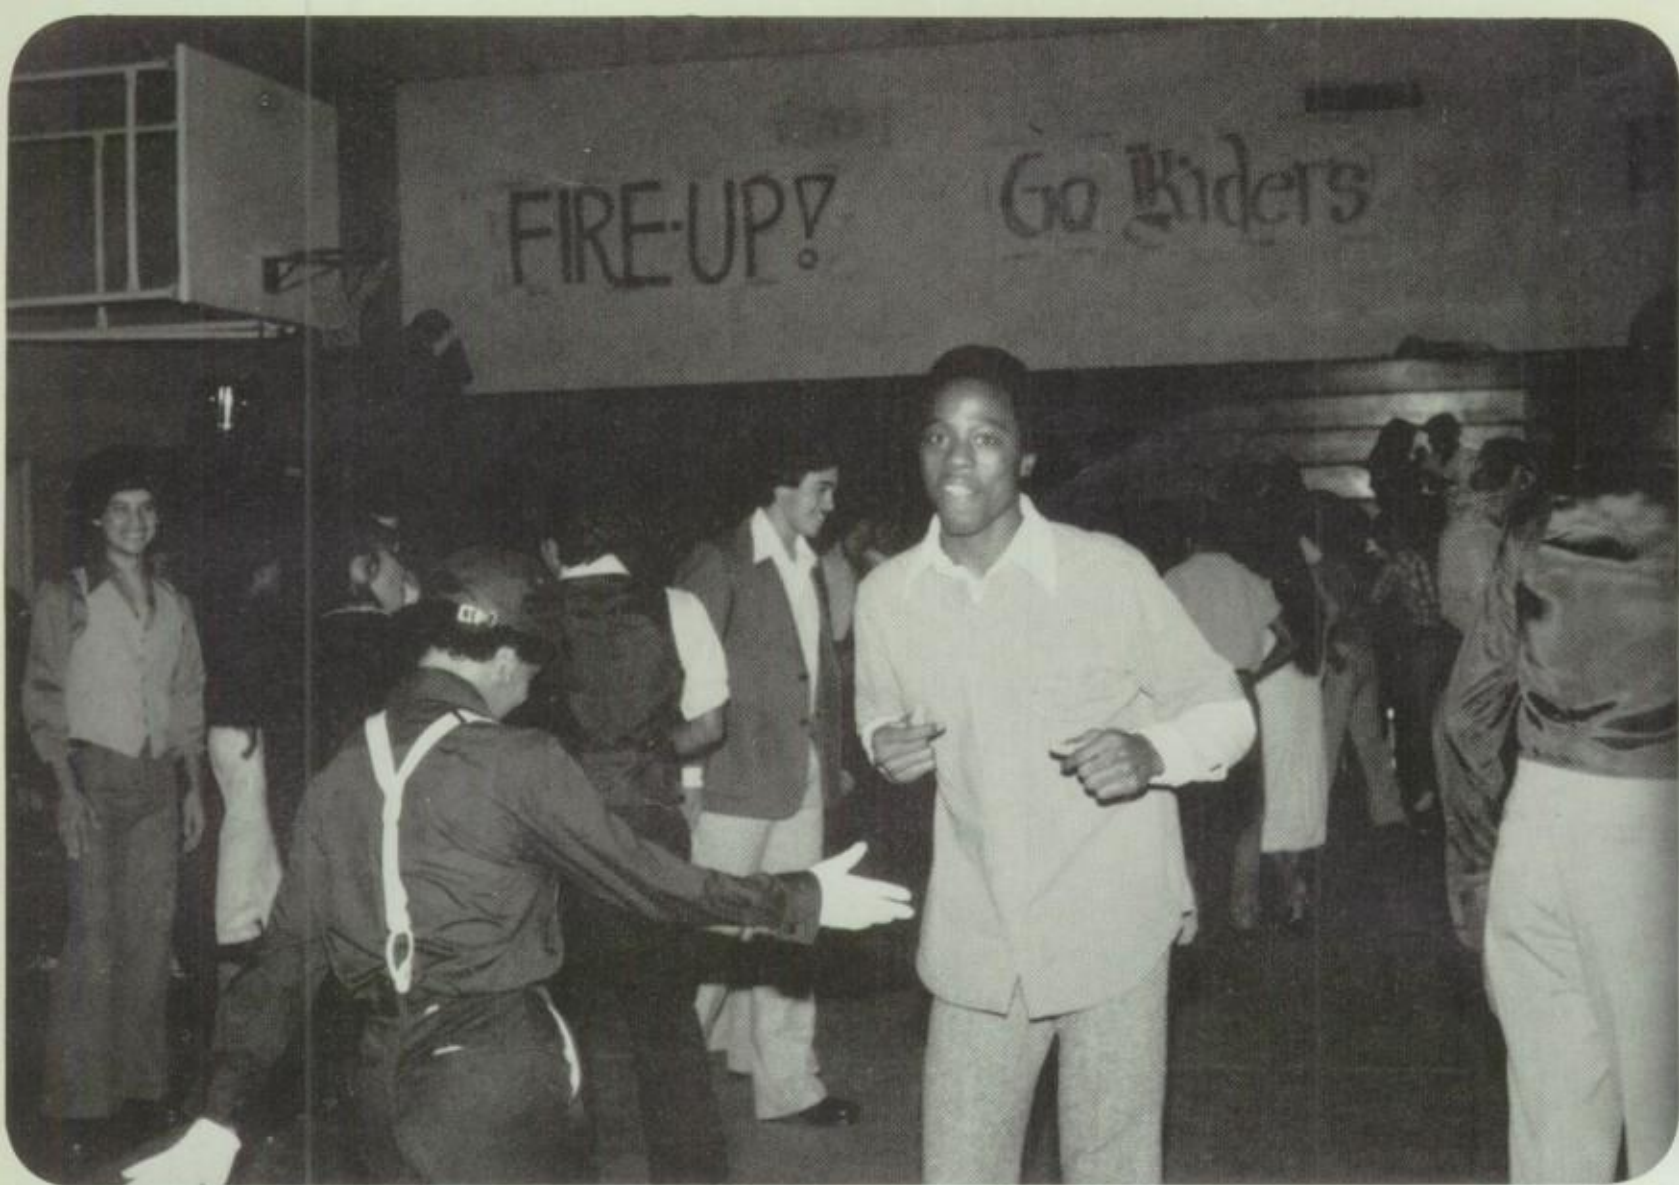

A variety of names were used for the teams such as: The Ten Most Wanted, The Hostages, The Shaws, and the Ayatollahs.

On January 26, 1980 Roosevelt, Wilson, Lincoln and Garfield high schools joined together for the annual "Almost Anything Goes." All the schools participated in many events such as the "ice slide," "Tug of war" and several different obstacle courses. Although most of the events dealt with getting dirty, wet, and having participants spray whipped cream on your face, everybody thoroughly enjoyed it, both participants and spectators. Roosevelt was certainly proud of the sportsmanship shown by team players.

As the final result: Garfield came out in first place, Wilson placed second, Roosevelt placed third and Lincoln placed last.

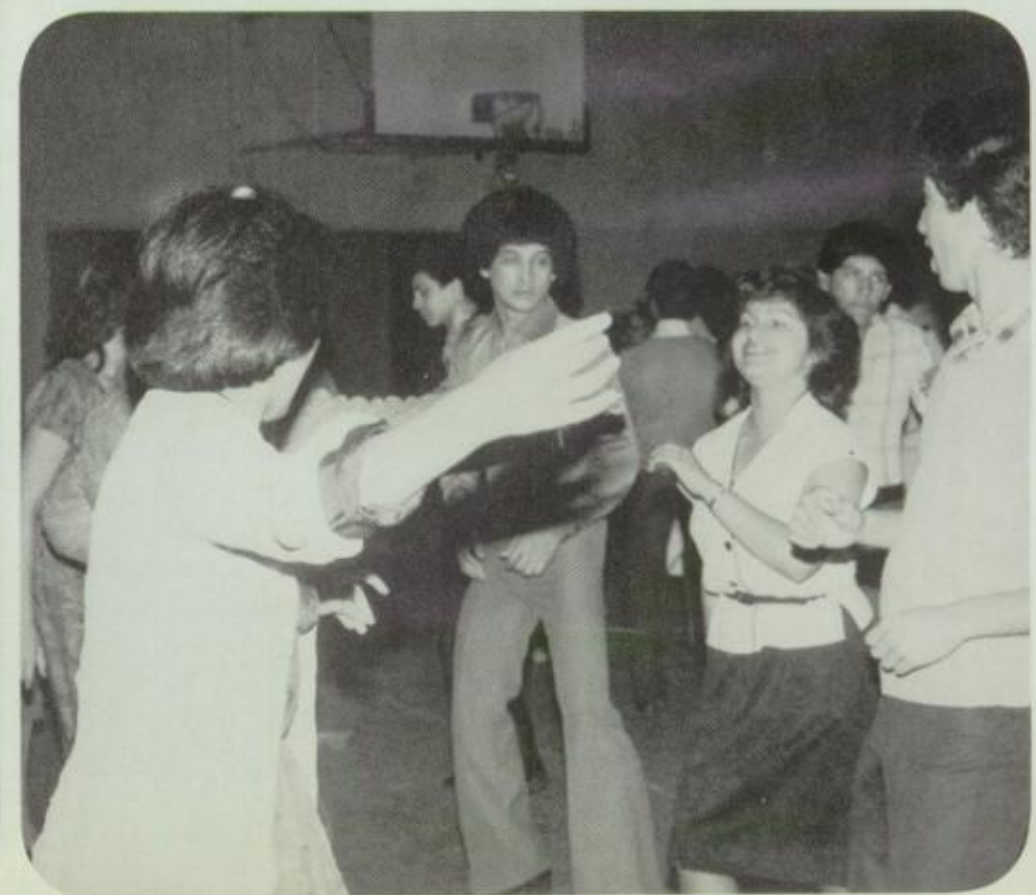

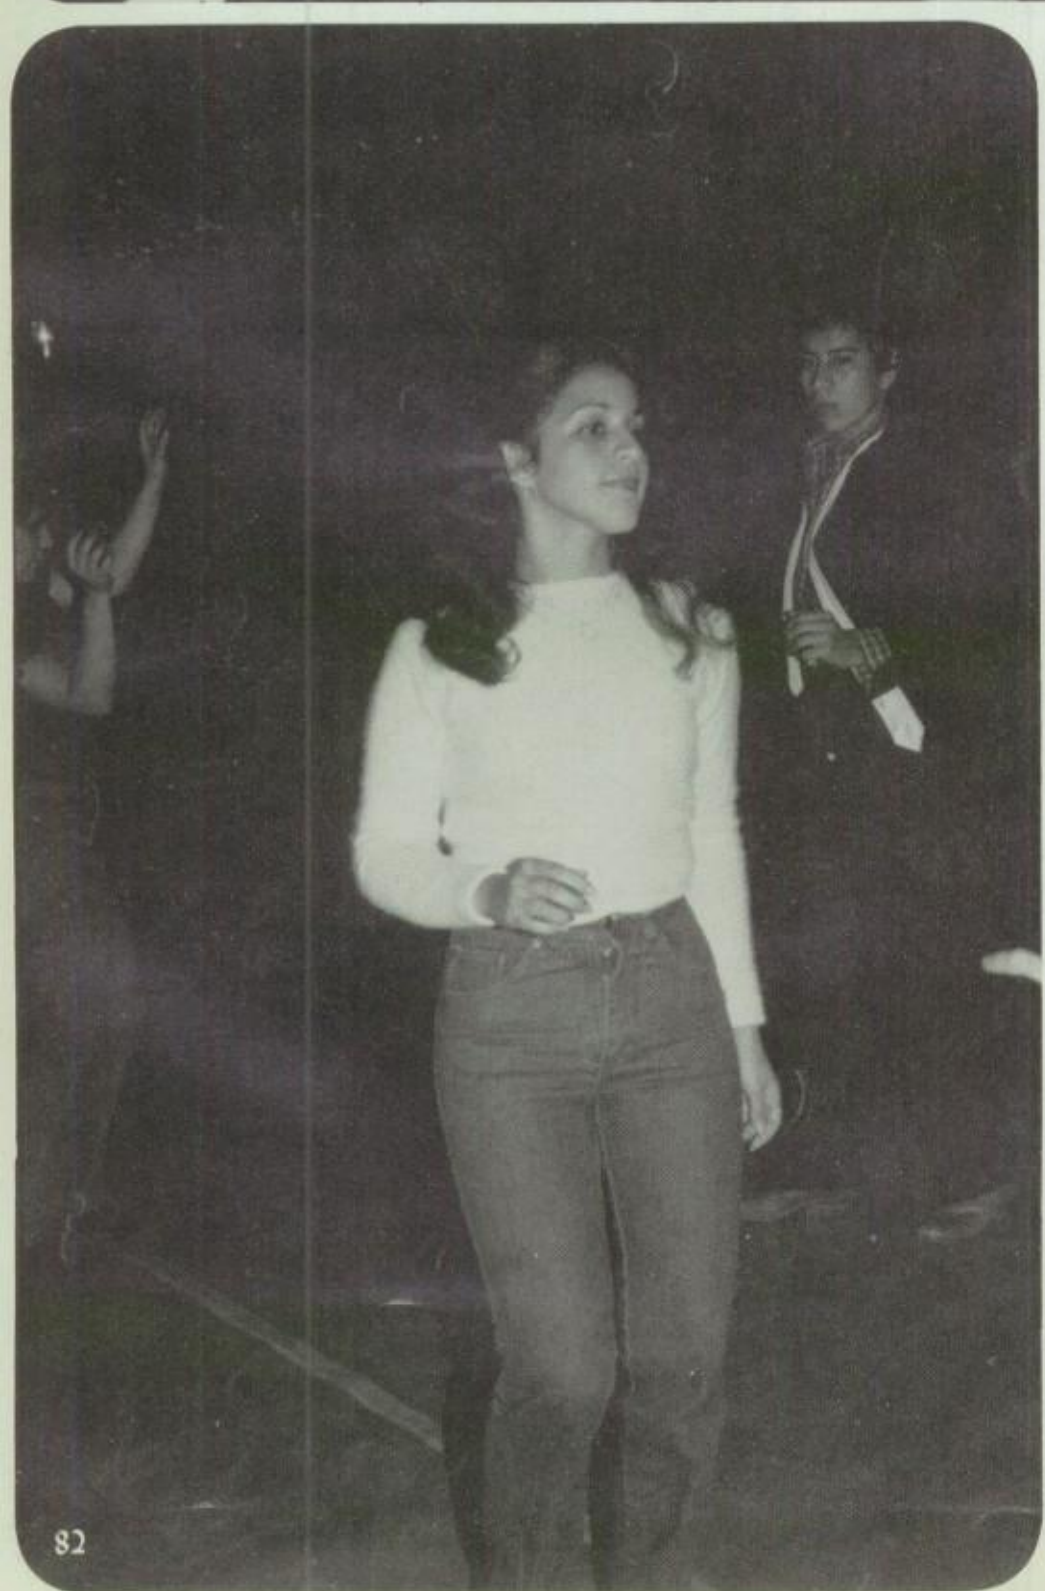

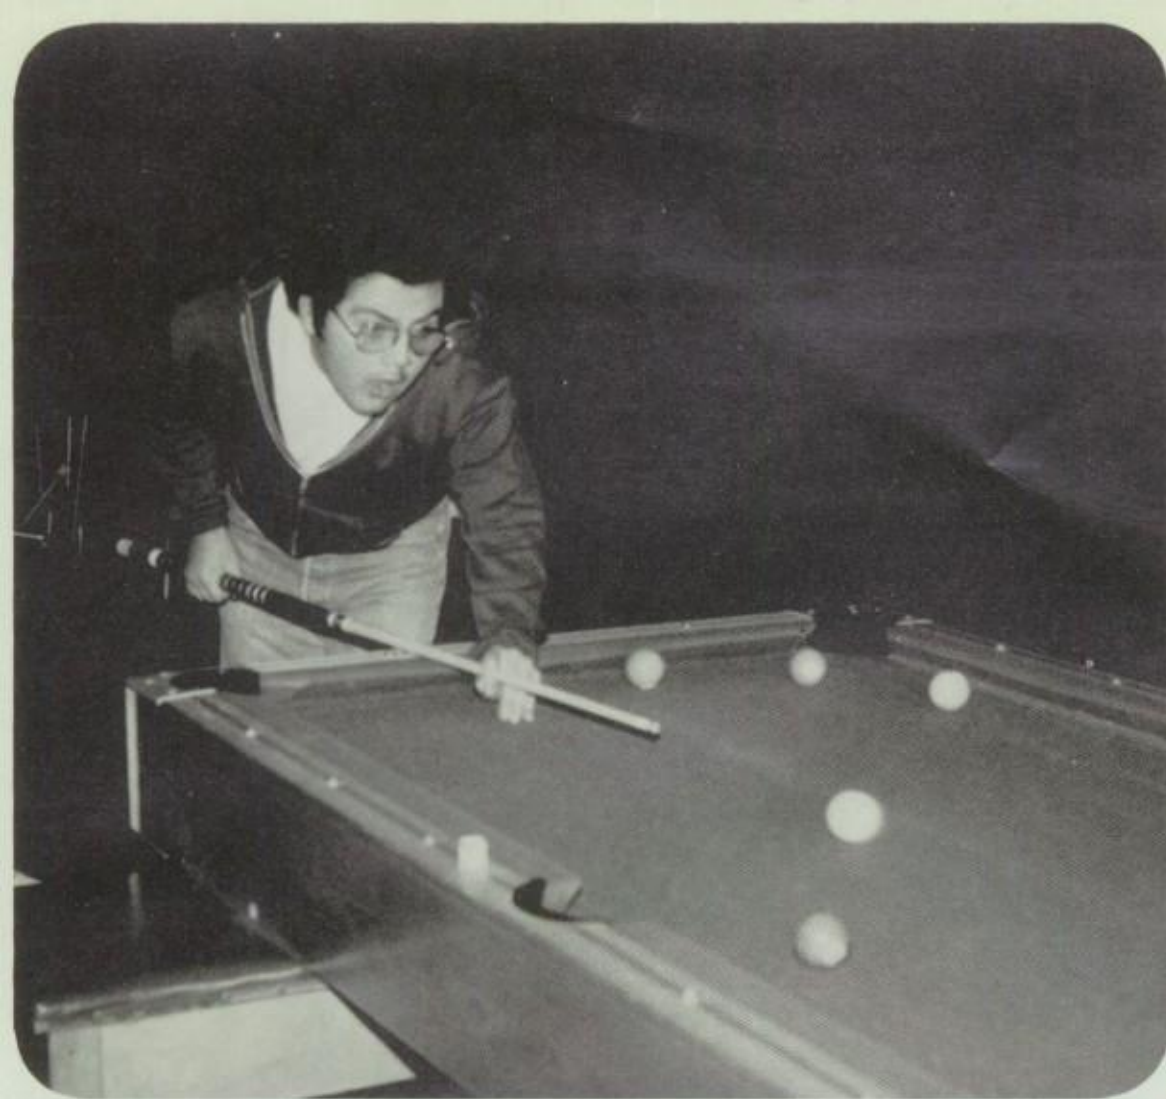

NOON DANCES

Party, Money, Another cha cha, On the radio, and Panic: what are these? Why they're just some of the tunes students here dance to at noontime.

Dances in the girl's Gym and some in the auditorium were popularly attended and well enjoyed sponsored by different clubs on campus as well as Junior, Sophomore, Senior and E.S.L. classes, students enjoyed the fast update tunes, the slow music, and cumbias played by selected D.J.'s.

Noon dances weren't too long but they were long enough to get ready for their last couple of classes.

SPORTS NIGHT

Friday night: getting ready for the weekend, where else but Roosevelt's Gym!!!! This was the ideal place for friends to meet and have a good time dancing, playing sports, games, or just listening to the music.

What is all this? Why, it's sportsnite sponsored by Youth Activities, where students not only from Roosevelt but from other schools enjoyed themselves dancing to the sounds of Soda Fountain otherwise known as "De la France". Disco wasn't the only music played, Rock punk, and mellow sounds were common.

Sportsnights allowed students to be at their leisure, that's probably why it's better attended than a formal dance, and for \$1 what more can you ask for? Besides, the money made by youth activities is used for trips to Irvine Park, the beach, and other places to allow for the hard working club members as well as the rest of the student body to further enjoy themselves.

SWEET HEART BALL 1980

On February 15, 1980 Roosevelt's class of '80 sponsored a dance held at The Castaways in Burbank from 6 p.m. 'till 1:30 a.m. featuring Vinde Champagne.

Couple picture were taken, while waiting for the rest of the people to arrive. The ballots for Queen and King candidates were passed out and later collected. The twelve girls running for queen and the three boys running for king were then presented. Dinner was served from 8:30 to 9:30; later the winners were announced: Rosemary Zepeda and Fidel Parra; they were crowned by Mr. Cobos and danced to "Deja Vous", after which everybody danced to the beat of Disco & Rock.

The class of 1980 was the first class to have a danced outside of school besides the Prom. Although the class lost money, their main concern was the enjoyment of their classmates in their last year here at Roosevelt.

SALES

See's suckers, Pom-Poms, raspados, balloons: you name it they sold it.

Just about everyday, there was a club selling something, at all times and all over the school.

Pom-Poms and balloons were sold during homecoming, raspados during those hot days and see's suckers were sold all throughout the year. There were candy sales held for three consecutive days. The longest sale was held by the class of '80 who sold Hershey Bars to get free prom bids.

The sales not only helped people to raise money, but to meet more people. With the money from the sale, members from different clubs were able to go on trips to different places.

Sales were very popular around school, everybody participated either by buying the food or by selling it.

SKANCES

This year was great for Roller Skating and Disco dancing. The two combined are called A skance. Roosevelt held many skances at the Great Skate. There, people joined together from all schools and enjoyed themselves moving to the latest dance steps and getting down to the hottest hits of Donna Summer, Rod Stewart, Michael Jackson and the newest fad called new wave or more commonly called "Punk Rock" with the Rocky horror Sounds of the Time Warp and the Radical Beat of My Sharona by the Knack and the ever so popular Rock Lobster by the B 52's.

The money from the skances went to the student body as well as the clubs and Organization.

The Drama club, Gymnastics club senior and JR. class were a few who participated in sponsoring the skances.

At the end of the night when the skance was over everybody went home with smiling faces and a little remembrance of their high school years.

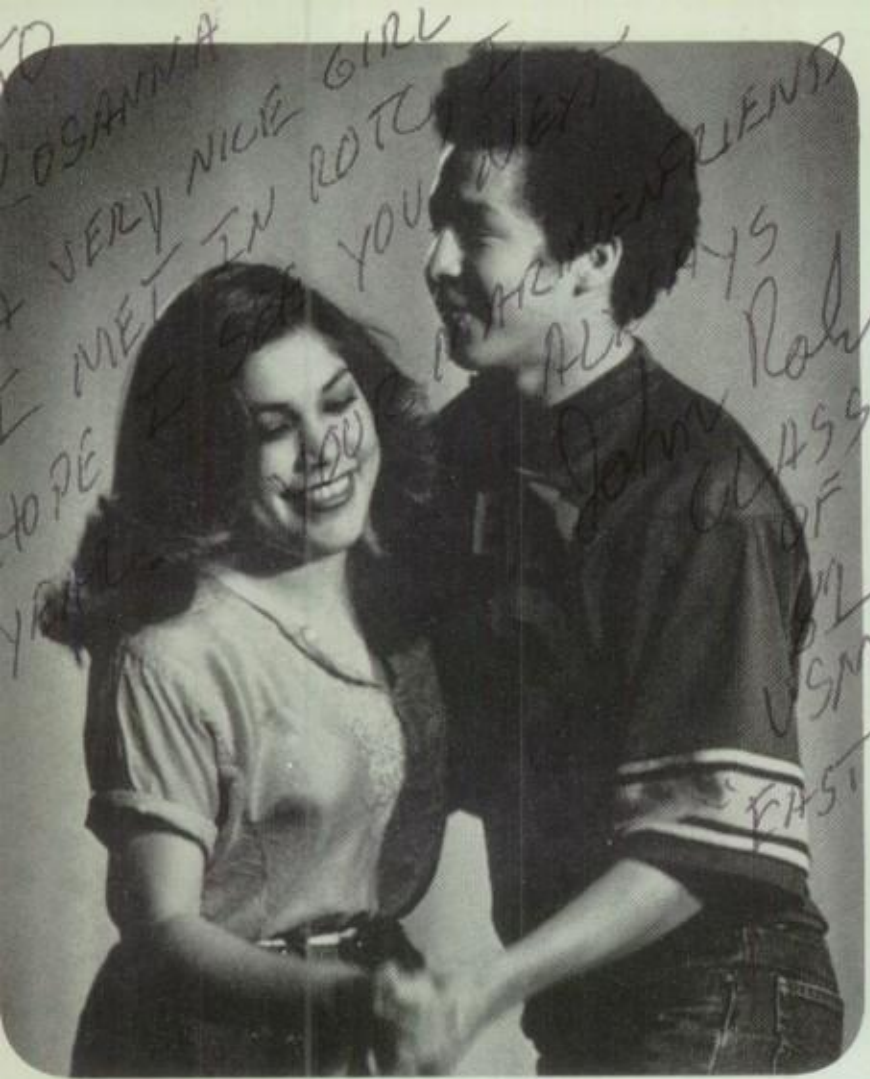

SPRING CARNIVAL 1980

On March 21 through 23, 1980 Roosevelt held its annual Spring carnival. The first day of events was hampered by the rain which accounted for low attendance at the dance held that same night. The following two days were filled with excitement. People participated in various activities such as riding the hammer, the swinger and for smaller children the kiddy rides. Games like the goldfish pitch sponsored by Keywanettes and the Indian club, the dime pitch sponsored by the football team. The booster club as every year helped out too, this year by selling food. On Saturday night student council sponsored a dance that proved to be very successful.

On Friday night people enjoyed dancing to the sounds of "Pegasus" and Saturday night "Rio De Jenero". Saturday and Sunday were animated with disco music and also with cumbias played by "Ecstasy" who gave out albums and dedicated various songs to all different kinds of people that came to the carnival. On Sunday, people from the community came in large numbers to participate in the concluding activities, that thanks to community wide effort was made possible.

EAST SIDE STORY

On May 15 thru 17, 1980 the members of drama class presented a play "East Side Story".

Every year members of the drama class work very hard to put a play together and this year was not an exception. 150 people composed the play.

The story was basically a spoof on detective stories. A mysterious lady who's missing her husband and in order to find him she hires a detective. They start looking for him until they find him in a Dosco, he's turned into a rocker, but in the mean-time the play has several dancing scenes like one where a "Zoot Suiter" comes in; he's confused in the street and all of a sudden "Bad Girls" start playing later on, "Another Cha Cha" takes place in a cha cha club.

Mr. Kendrick once again did an excellent job of producing and directing "East Side Story". The majority of the audience seemed to really enjoy the production.

THE DATING GAME

On March 18, 1980 the class of '81 sponsored the hilarious, the exciting, and incredible Dating Game.

The game was similar to the one we always watch on T.V. A total of 312 people attended and a total of \$78 was made. There were three different groups of bachelors: one group with a girl and three guys, and the others with one guy and three girls each. Out of these, the first couple was Jose Nolasco and Beatriz De La Rosa; the second couple was Mark Gonzalez and Rosemarie Zepeda, and third couple Victor Urias and Rosa Machuca.

All three couples won a trip to Knott's Berry Farm, but there was one condition: for the following day the guys had to walk the girls to their classes and carry the girls' books.

This was the first time that a dating game took place here at Roosevelt High School and contestants as well as audience enjoyed it very much.

FASHION

Boots, baggie jeans, zuit suits cowboy shirts and the 50's!!!! What a combination to launch the fashions for the 80's.

Cowboys and cowgirls covered Roosevelts campus this year. But, the western attire was not the only one displayed. There was a variety of styles throughout the year, from pleated pants and spike heels, to rayon and velour blouses. Crayon shirts displayed the names of popular cars such as Porche and Mercedes-Benz.

With all this, Roosevelt is indeed keeping up with its trend setting reputation for fashionable and stylish clothing.

PEOPLE

The masses show their pride at the homecoming pep rally held on Nov. 15, 1980 on the football field.

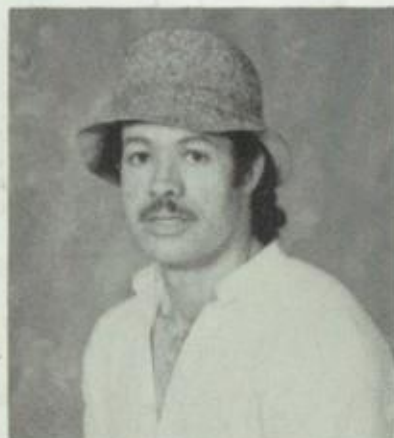

PEOPLE

1. "Time Warp" never fails to attract students by it's aggressive sounds. 2. E.S.L. class successfully sells during the Health Fair. 3. Boy's and Girl's League bid farewell to security officer Tom Ingram. 4. Talk about crowds, the cafeteria attracts students driven to it by hunger. 5. It's the second half of a skance and students never fail to be amused.

SENIOR OFFICERS

Ron Kendricks, Sponsor

Robin Lee, Co-Sponsor

The colors burgundy and beige were dominant on the Roosevelt campus as "Les Victorieux", (The Victorious ones) through their class sweaters proudly showed off their seniority among the students on campus. The class of 1980, one of the most successful classes ever formed at Roosevelt, "kicked off" the school year with a successful skance at The Great Skate. In the three years that the class has existed on the campus, it has produced some of the most active and productive students in the school. The Senior Candy drive symbolized one of the most successful activities as almost all seniors sold candy to help their class to lower Prom and Grad nite expenses. To show it has "class". It sponsored a successful sweethearts Ball on February 15, 1980 at "The Castaways" (Garfields Prom site) featuring Vin De Champagne.

above all, hard work paid off as elegantly dressed ladies and handsomely dressed young men spent a memorable evening in the well known Casino Ballroom at Catalina Island, for their Prom one of their final and most cherished activities.

June 12, 1980 signified the end of all the wonderful moments they had spent in high school, the anger and tears of three beautiful years of carwashes, skances and all the other activities they shared together in their high school life. The first class of a new decade walked across the stage of the Shrine auditorium to receive their diploma, a peice of paper signifying a dream three years ago. Some with more school ahead and others with a future of business. Gradnite on June 13, at Disneyland, was their last night together.

On May 23, 1980 all the unity, friendship and

JUNIORS

JUNIORS MAKE A GREAT COMEBACK

At the beginning of the year the future senior class of 1981 didn't have much money in their fund. But thanks to their leadership and those who helped sponsor in many of the activities such as car washes, candy sales and skances they have the money to make their senior year unforgettable.

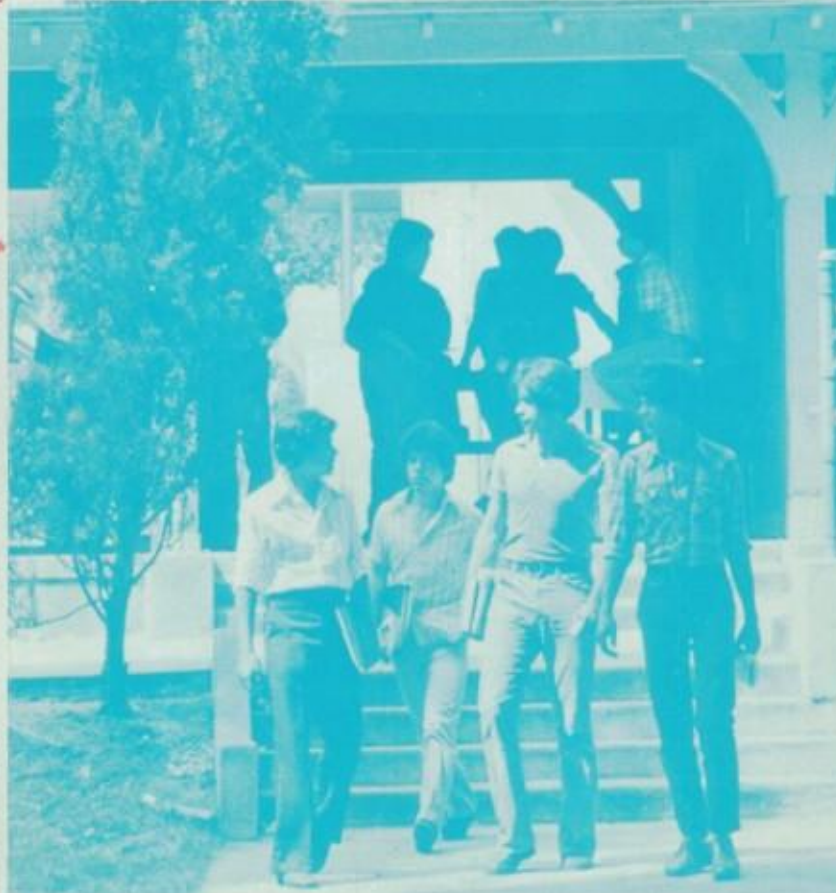

The colors that have been chosen by the class to symbolize them are: aqua-marine and white

SOPHOMORES

The class of '82 started off early this year with a Candy Drive followed by a night dance, which were both very successful. This year we had 1,604 Sophomores. The majority coming from Hollenbeck and Stevenson Jr. High. All were excited to come to a new school and meet new and old friends.

"The sophomore class is going to be the best class ever", said Calvin Williams, sophomore class president (Fall).

FACULTY SO IN MEMORY OF MISS LYNN MAC MICHAEL

The madrigal of the river valley is no longer heard.
The birds no longer sing the tune of summer spring.
For our friend has gone to sleep
boarding her dream.

The world has become mute in silence,
And the bell no longer tolls the world to wake.

The symphony of the sea-shell is no longer heard,
The content of the child giving her toy away.

The lullaby has in memory the child in sleeping slumber.

by Jorge Sifuentes

Who was Miss Mac Michael? Miss Mac Michael was a teacher here at Roosevelt High. She taught English and World of Education for 13 years. She liked writing poetry and also belonged to many church groups. She always encouraged minority students to go into the field of Education. She left a retirement fund of over \$15,000 for a Scholarship fund. In addition to this over \$700 will be added that was collected from faculty and friends. The scholarships will be awarded to students who plan to go into a career of Education on a yearly basis. She'll always be remembered here at Roosevelt by all students and teachers as a contributor to the future of education.

ONE MILLION DOLLARS FOR ROOSEVELT

Here at Roosevelt some students are not aware of the Compensatory Education budget which is funded \$1,074,110.00 by the Federal Government. This budget is broken down into specified fields. 73% of the budget went to certificated personal which paid for nine coordinators, seven counselors, seven teachers, sixty three teaching assistants, six counseling assistants, one PSA counselor, and one nurse. 19% went to classified personal which paid for ten educational aides, six community representatives, six clerks, and fifty student aides. 4.5% went to instructional materials and 3.5% went to operating expenses.

This budget differs from year to year. This year the budget was larger than usual, because the amount of students involved in the Compensatory Education budget was also larger. Last year the budget was basically for sophomore students only. This year the budget is shared by sophomore students along with eleventh, twelfth, and English as a Second Language students.

The Compensatory Education budget was a definite asset to this fiscal school year, due to its many contributions and educational promotions. "Next year, we the students wish that more money is spent on students for their educational needs than on counselors, coordinators, and community reps," stated a member of the student body.

COZY CORNER GOES TO COLLEGE

Since 1966 Roosevelt has been fortunate to have the College Corner. The College Corner was started by Mrs. Carmen Terrazas and then the position was given to Mr. Tony Solorzano.

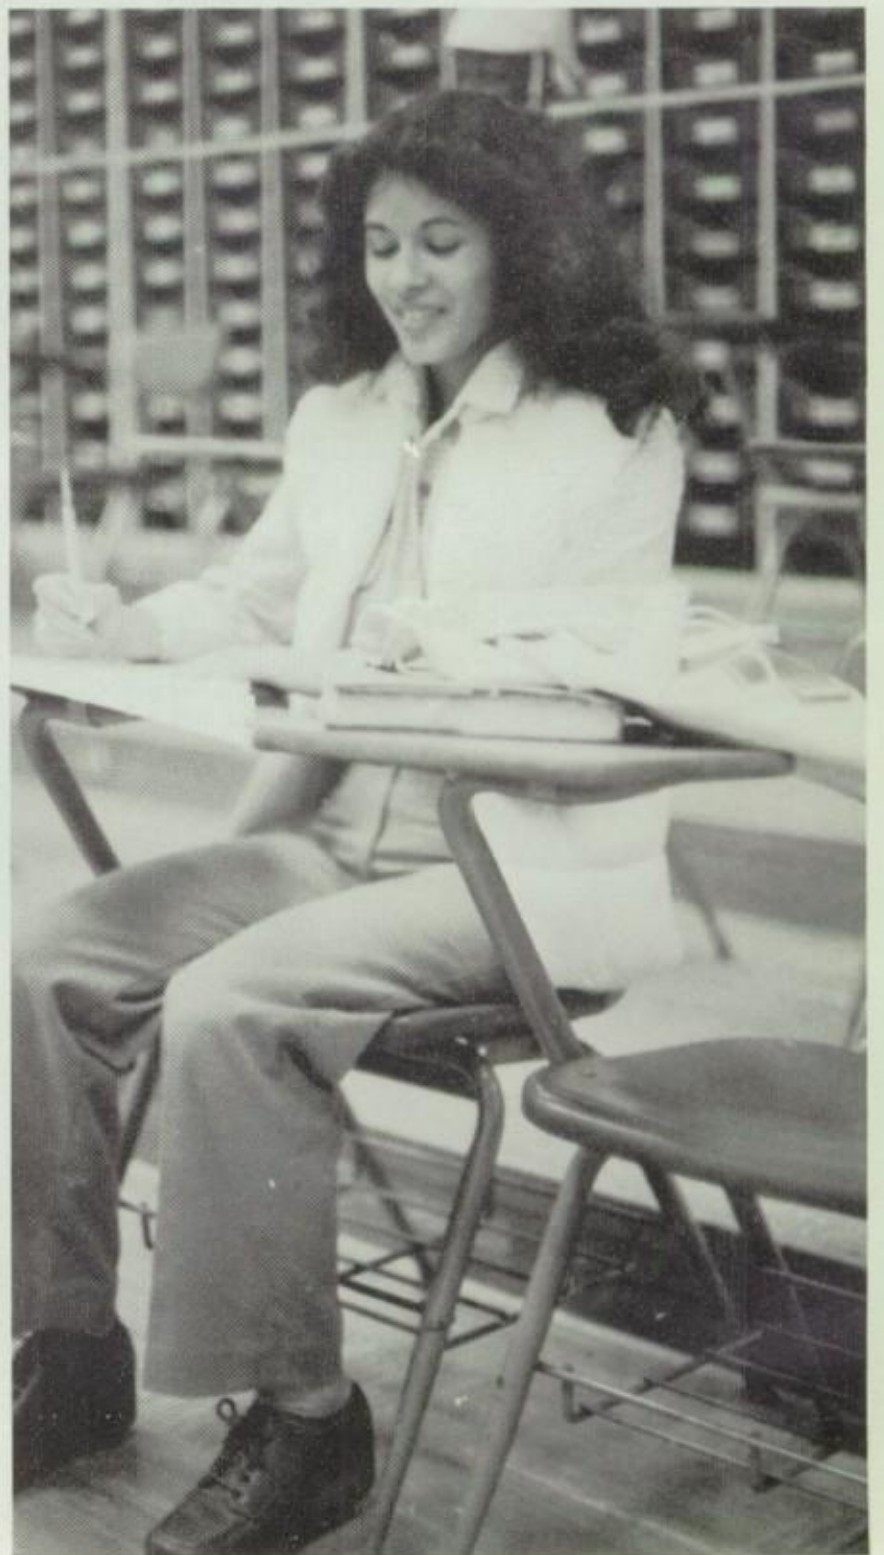

The College Corner is a place where students are given special help to prepare themselves for a college or university, and they also get help on how to go about receiving scholarships or federal grants.

While speaking to Mr. Solorzano he commented, "It's never too late for college." He also said that receiving good grades in high school is very important for each individual. Mr. Solorzano hopes to see all Roosevelt students attend a college or university.

The College Corner is open all day long, usually until 5:00 p.m. During lunch there are often speakers from different colleges, universities, and trade schools.

Mr. Solorzano's last words to the students were, "For all you tenth and eleventh graders, come into the college corner and see what colleges are available and what scholarships are awaiting you; it's better to start early than to start late. I'm always here and so are my aids to assist you in any way we possibly can." "Also may I include that if you don't plan to go to college come into the college corner anyway, and relax on our couches and recliner chairs and meet some college prep students."

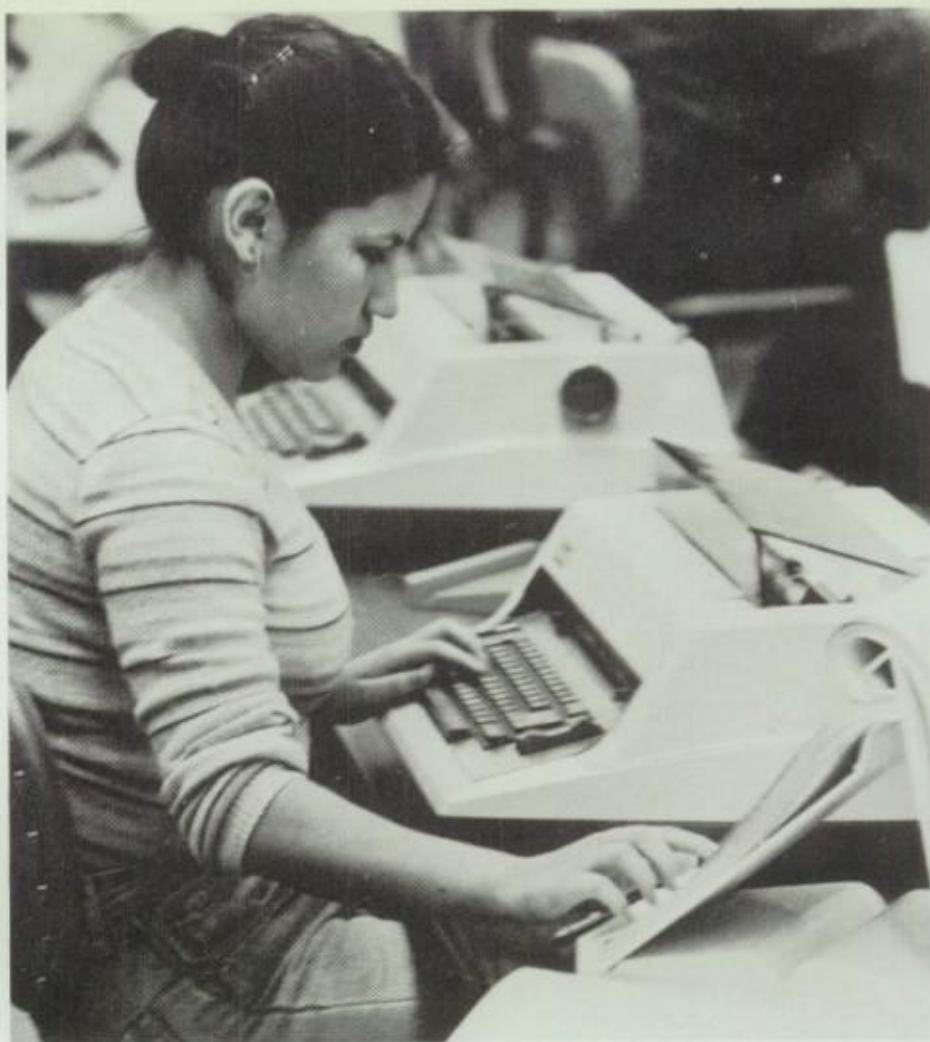

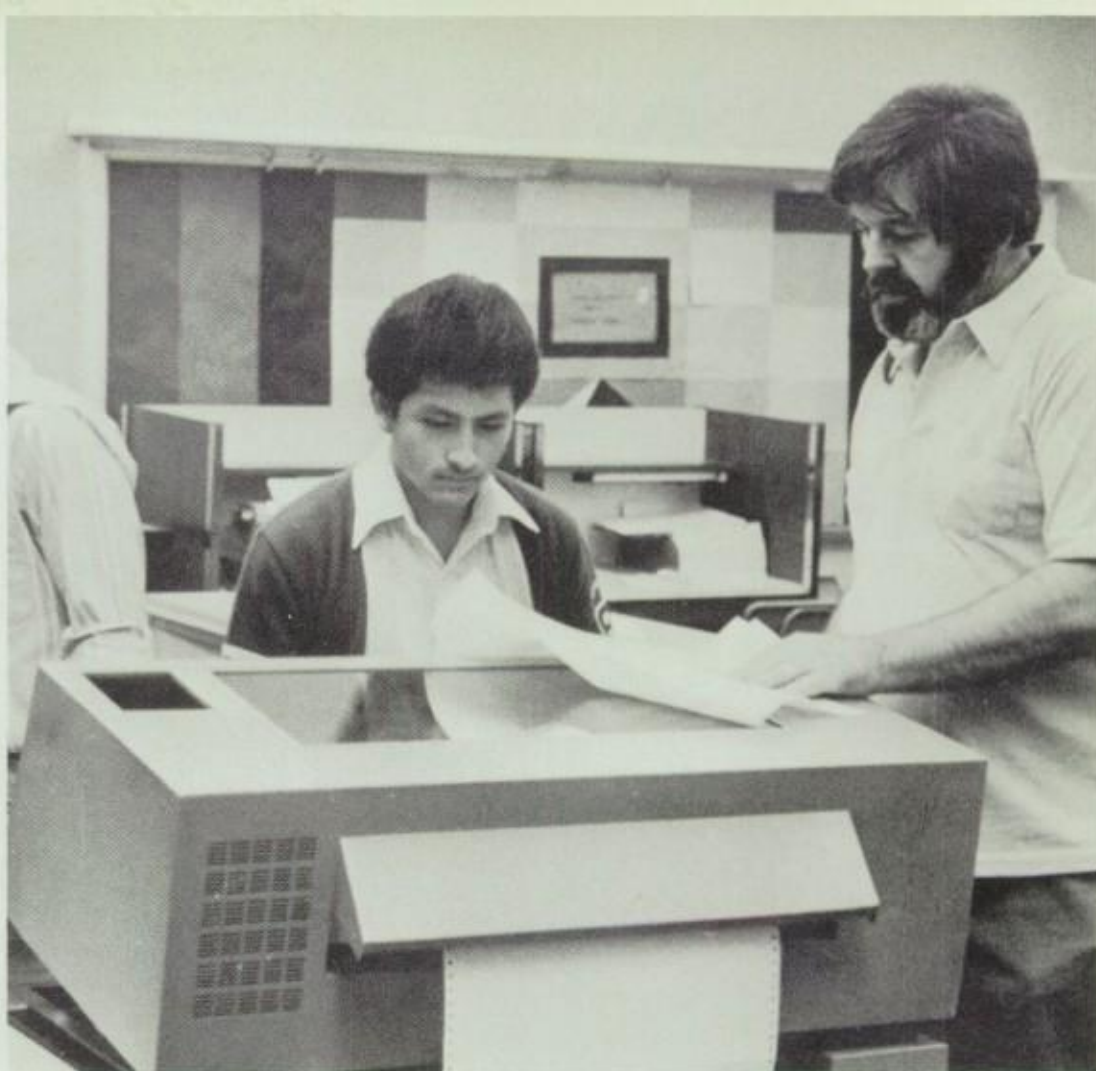

R.O.P. & R.O.C. OFFERS MANY PROGRAMS

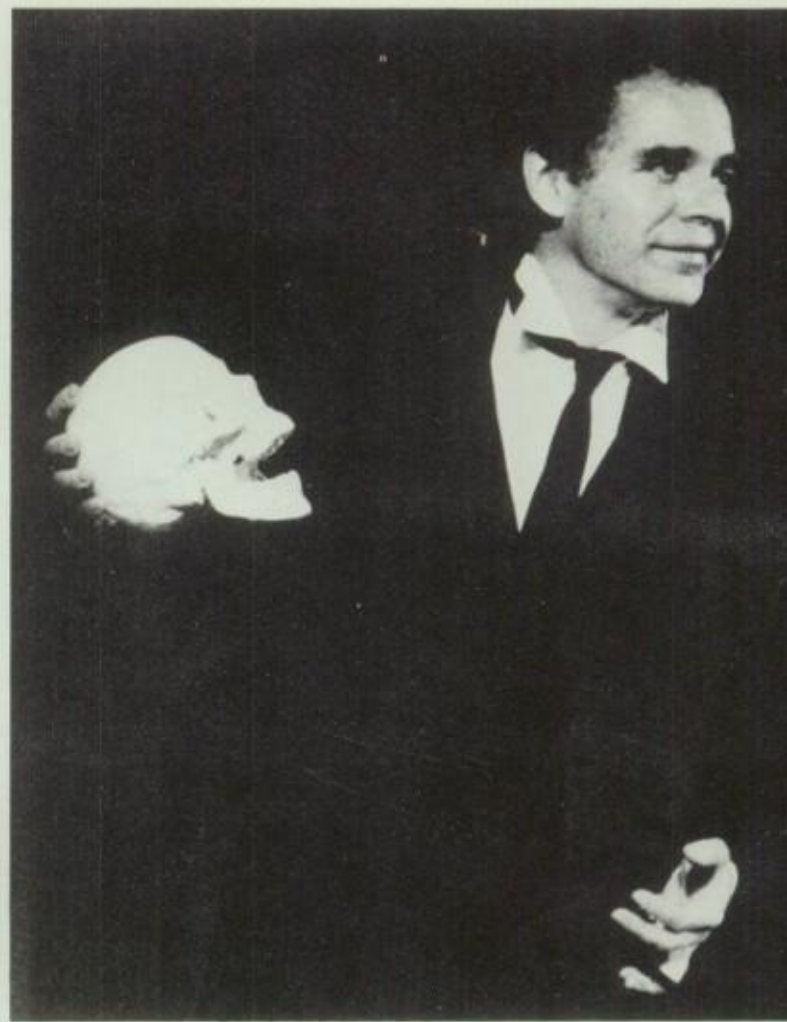

The Regional Occupational Programs and The Regional Occupational Centers offer a variety of classes in vocational areas such as agriculture, environmental education, business education, health careers, home economics, industrial education, and public services. They are offered during the weekdays, after school, at night, and on Saturdays. Classes are offered at Roosevelt, Garfield, Wilson, Lincoln, Belmont, and the East Los Angeles Occupational Center. They are coordinated through the Career Center by Mrs. Virginia Morgan who made the (ROP and ROC) classes very successful this year due to the fact that more people were involved than last year.

Classes are given on the basis of employment opportunity and the need for trained, entry-level personnel.

Programs are designed to provide skills which will enable students to obtain employment upon completion of the course. Some programs provide on-the-job training. Employment is offered to some qualified students upon completion of courses.

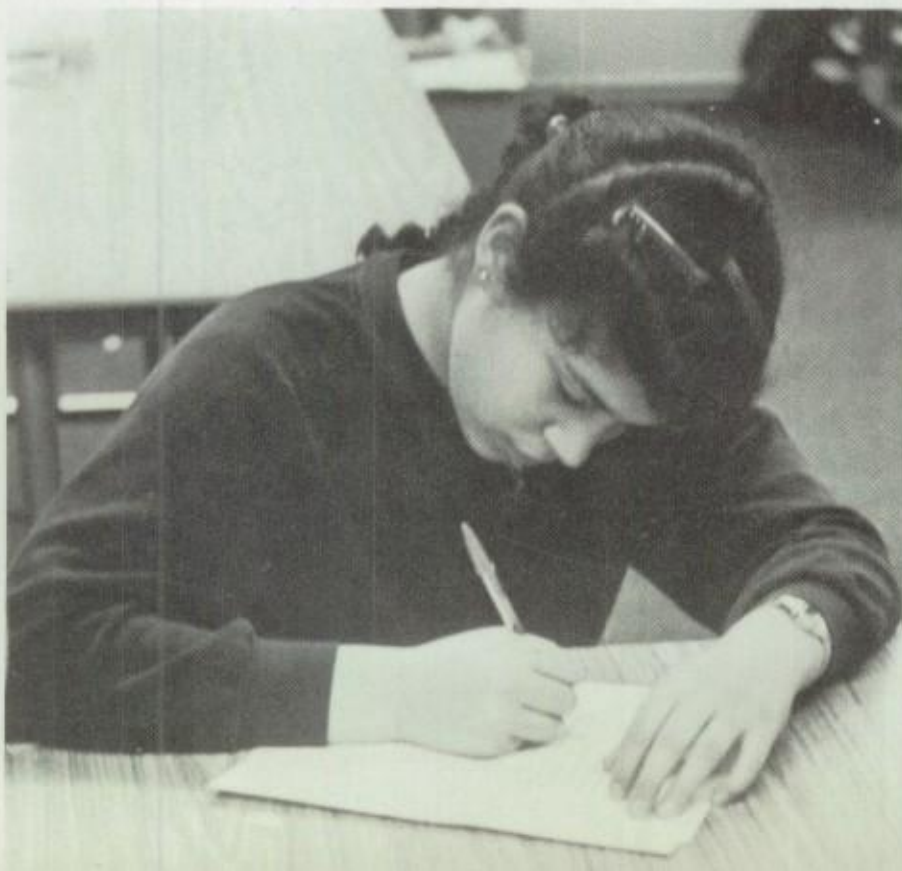

GIFTED PROGRAM HELPS STUDENTS

In 1967 the Gifted Program was formed here at Roosevelt by Mrs. Thelma Yoshii, and then the position was given to Mrs. Dolores Seidman. The Gifted Program is for students who have been identified under the state Gifted Program as being of the top two percent of the population in intelligence. Those students are identified through use of psychological testing and also through the use of certain tests called the Lieter test, which is an I.Q. test. Also needed are recommendations from teachers, parents, and counselors.

Once a student has been identified gifted, he or she will always be gifted throughout their school years. Each year the Gifted Program is funded \$70.00 per gifted student. This money is not given directly to the student, but given to the school so that special equipment can be bought, such as instructional materials, books, and rentals of films. There's also money budgeted for buses to take field trips and to buy tickets to plays and to places of cultural enrichment.

While speaking to Mrs. Siedman, the Gifted Program coordinator, she commented, "I really believe that people should use the talent they have been given, and sometimes it disaappoints me when I see people who have abilites and who are not using them and taking full advantage of opportunities that are offered to them." Among other things the gifted program went to second trips Including the Edwin Booth assembly which was held here at Roosevelt; also the gifted program went to go see the musical play "Evita" which was enjoyed by most gifted students who attended.

RIDERS GETTING READY

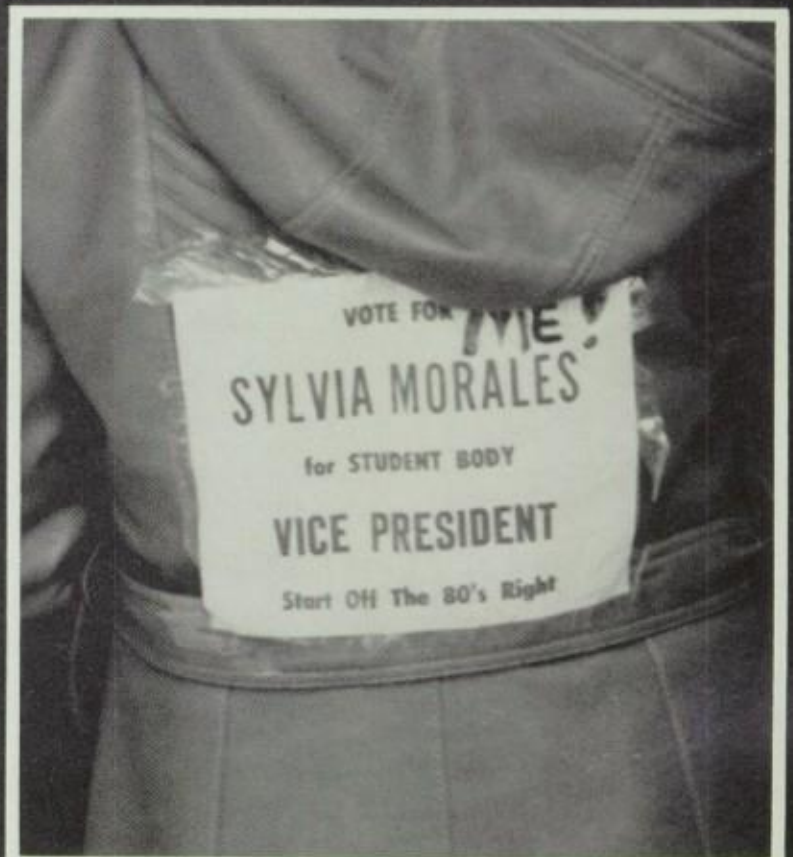

Mario Guerra assists Miss Lee in inflating balloons for the homecoming game.

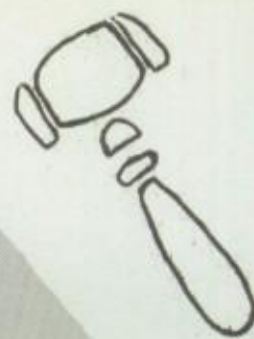

LEADERSHIP

1. Leadership members enjoy a little fun after working daily for the Almost Anything Goes Pre-lims. 2. Campaigning was a big part of winning an election. 3. It seems that from 10:00 in the morning to 11:00 at night work never ends, especially for a football game. 4. A team effort put in by all show in the final results. 5. Campaigning was not limited to just walls.

STUDENT COUNCIL

FALL

Is It Robert's Rules of Order?

Heated discussion and strong opposition was a common scene in B34 during 4th period. Student Council, the student body's government, started off an active year. Activities such as homecoming, elections, assemblies, and all the financial needs of the school were taken up during one hour of school, not to mention the many extra hours taken for the football games and Almost Anything Goes, at night and after school.

Fabian Villarreal, took many offices besides his all important one here at Roosevelt. He became president for Area 6, and City-Wide representative, an office never taken by a Roosevelt Student Body President.

Student Council accomplished a lot through the guidance of a strong president as well as dedicated officers who sacrificed a lot of time to give Roosevelt a reputation to be proud of.

SPRING

STUDENT COUNCIL

A Hard Semester To Work Through

A shuffle of offices after elections revealed a relatively new Student Council for the Spring semester. Though some former members stayed, almost all had new offices. For the second time in a number of years, a female president was elected into office Yolie Bernal.

This final semester of the fiscal year revealed her efforts in activities such as the Senior vs. Junior Powder puff game, the Spring Carnival, and a number of other activities which proved very successful, thanks to the joint efforts of the whole Council.

With fun and hard work put together, a close net was meshed together to unite everyone in the Council into one main body. With this main body, the Student Body was able to carry on it's daily activities through the end of the semester.

HOUSE OF REPRESENTATIVES

Class Activities Busy Reps

Under the leadership of Yolanda Bernal, Student Body Vice Pres. (Fall), the House of Representatives gathered in the school auditorium for their monthly collection of information. Senior candy and other senior activities were always first on the agenda as well as Junior emblems, sweaters, and class colors. Activities such as homecoming and christmas activities were all a part of this round-up as well. Fall revealed a semester of rapid activity for all involved.

HOUSE OF REPRESENTATIVES

SPRING

Business Cools Down

The clean-up committee and the spring carnival were some of the subjects discussed by the House of Reps. this semester. With the leadership of Sylvia Morales, Spring Student Body V.P., asst. chairperson Jose Nolasco, and secretary Jaime Pacheco, homeroom reps were able to send information back to homerooms on what times the carnival would be on, what committees were on campus, and what upcoming events were of interest in the coming weeks. Being the most important semester of the year, homerooms were kept busy with the information set by the House of Representatives.

Sylvia Morales and other executive members preside over the House of Reps meetings held in the auditorium.

ROUND TABLE

Clubs Take Over

This year clubs were not at all inactive, in fact, many people are proud to say they belong in more than one. Roosevelt's campus blossomed with students working for this club or that.

Round table, made up of all club and class presidents and sponsors, discussed the clean up of campus, new rules for activities, as well as methods of getting students to join their clubs. Round table was one of the most important leadership organizations with its decision making and important membership.

SPRING

ROUND TABLE

The Framework Of A Carnival

The carnival was the main concern for Round Table members this semester. It is not only one of the largest money making projects for Roosevelt, but club participation is what makes the whole thing run. Meetings were constantly held all through March. Decisions for booths, supervision, and sponsors had to be made.

Other matters were discussed also, such as a fund for dance equipment and major activities for coming holidays. Overall, spring signified rapid activity for all.

ORGANIZATIONS

1. The stage crew, a needed organization in the school, hard at work setting the needed light effects in the auditorium. 2. It's a "hard days night" for the beatles club as they sell at the health fair. 3. Octavio and Juan serving drinks at sportsnite. Ever wonder why everyone acts crazy. 4. The award winning M.U.N. delegation in New York city shows that honor can be taken from a different aspect. 5. Folklorico members show their cooking ability.

RIDERS VISIT UNITED NATIONS

A trip to the United Nations in New York was the highlight of a weeklong trip to the East Coast for nine Roosevelt High School students. The students, members of Speech: Model United Nations an English class, went East to represent the Netherlands at the Harvard University Model U.N. Conference in December. The conference was attended by 1800 students from Canada, United States, and Mexico. Our students brought home seven awards, achieving national recognition for their school. They have participated in conferences sponsored by U.C.L.A., Cal State Bakersfield, UC Riverside, San Diego State University, Taft High School, Sanger High School in Fresno, as well as Harvard in Cambridge. Five to ten students compose the typical delegation, and Roosevelt usually takes several delegations to each conference. "Sponsoring the Model U.N. Program at Roosevelt has been the most challenging and rewarding experience I've had in my seven years of teaching," says Teacher-Advisor Lorna Auerbach. "It's given me a rare opportunity to work closely with students for six consecutive semesters, and the intellectual growth I've seen is phenomenal."

JOURNALISM

GOING CRAZY BUT LOVING IT.

Afternoons in room I were by no means quiet and ordinary. Often, a person walking by would comment on the strange noises and yelling emerging from the doors and walls. Since mid-August to the end of June, the Roosevelt High School Round-Up Staff has been busy running each other up the walls as well as staying together as a family.

With the exception of the return of two veteran members, Debbie Sakamoto, the new chief editor, and Pat Alvarez, the complete staff was new. Three members experienced a worthwhile learning experience in La Jolla, at UC San Diego for a publications workshop. They were Pat Alvarez, Rosa Chavez, and Debbie Sakamoto. A week of their summer was spent in absorbing everything there was to learn about yearbook production.

Roosevelt's yearbook is shockingly different from those in past years, due to new and exciting ideas formed from the

staff itself.

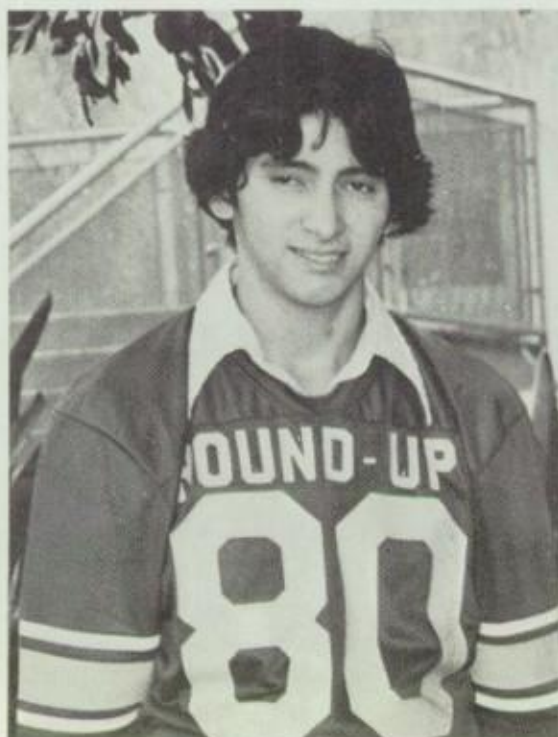

It's true, yearbook involves a great deal of patience and time. Staying after school wasn't the staff's favorite past time, but their willingness to contribute pushed them on. Also, thanks to pressure from Mr. Roura (advisor) the yearbook staff turned out to be the closest friends anyone could have.

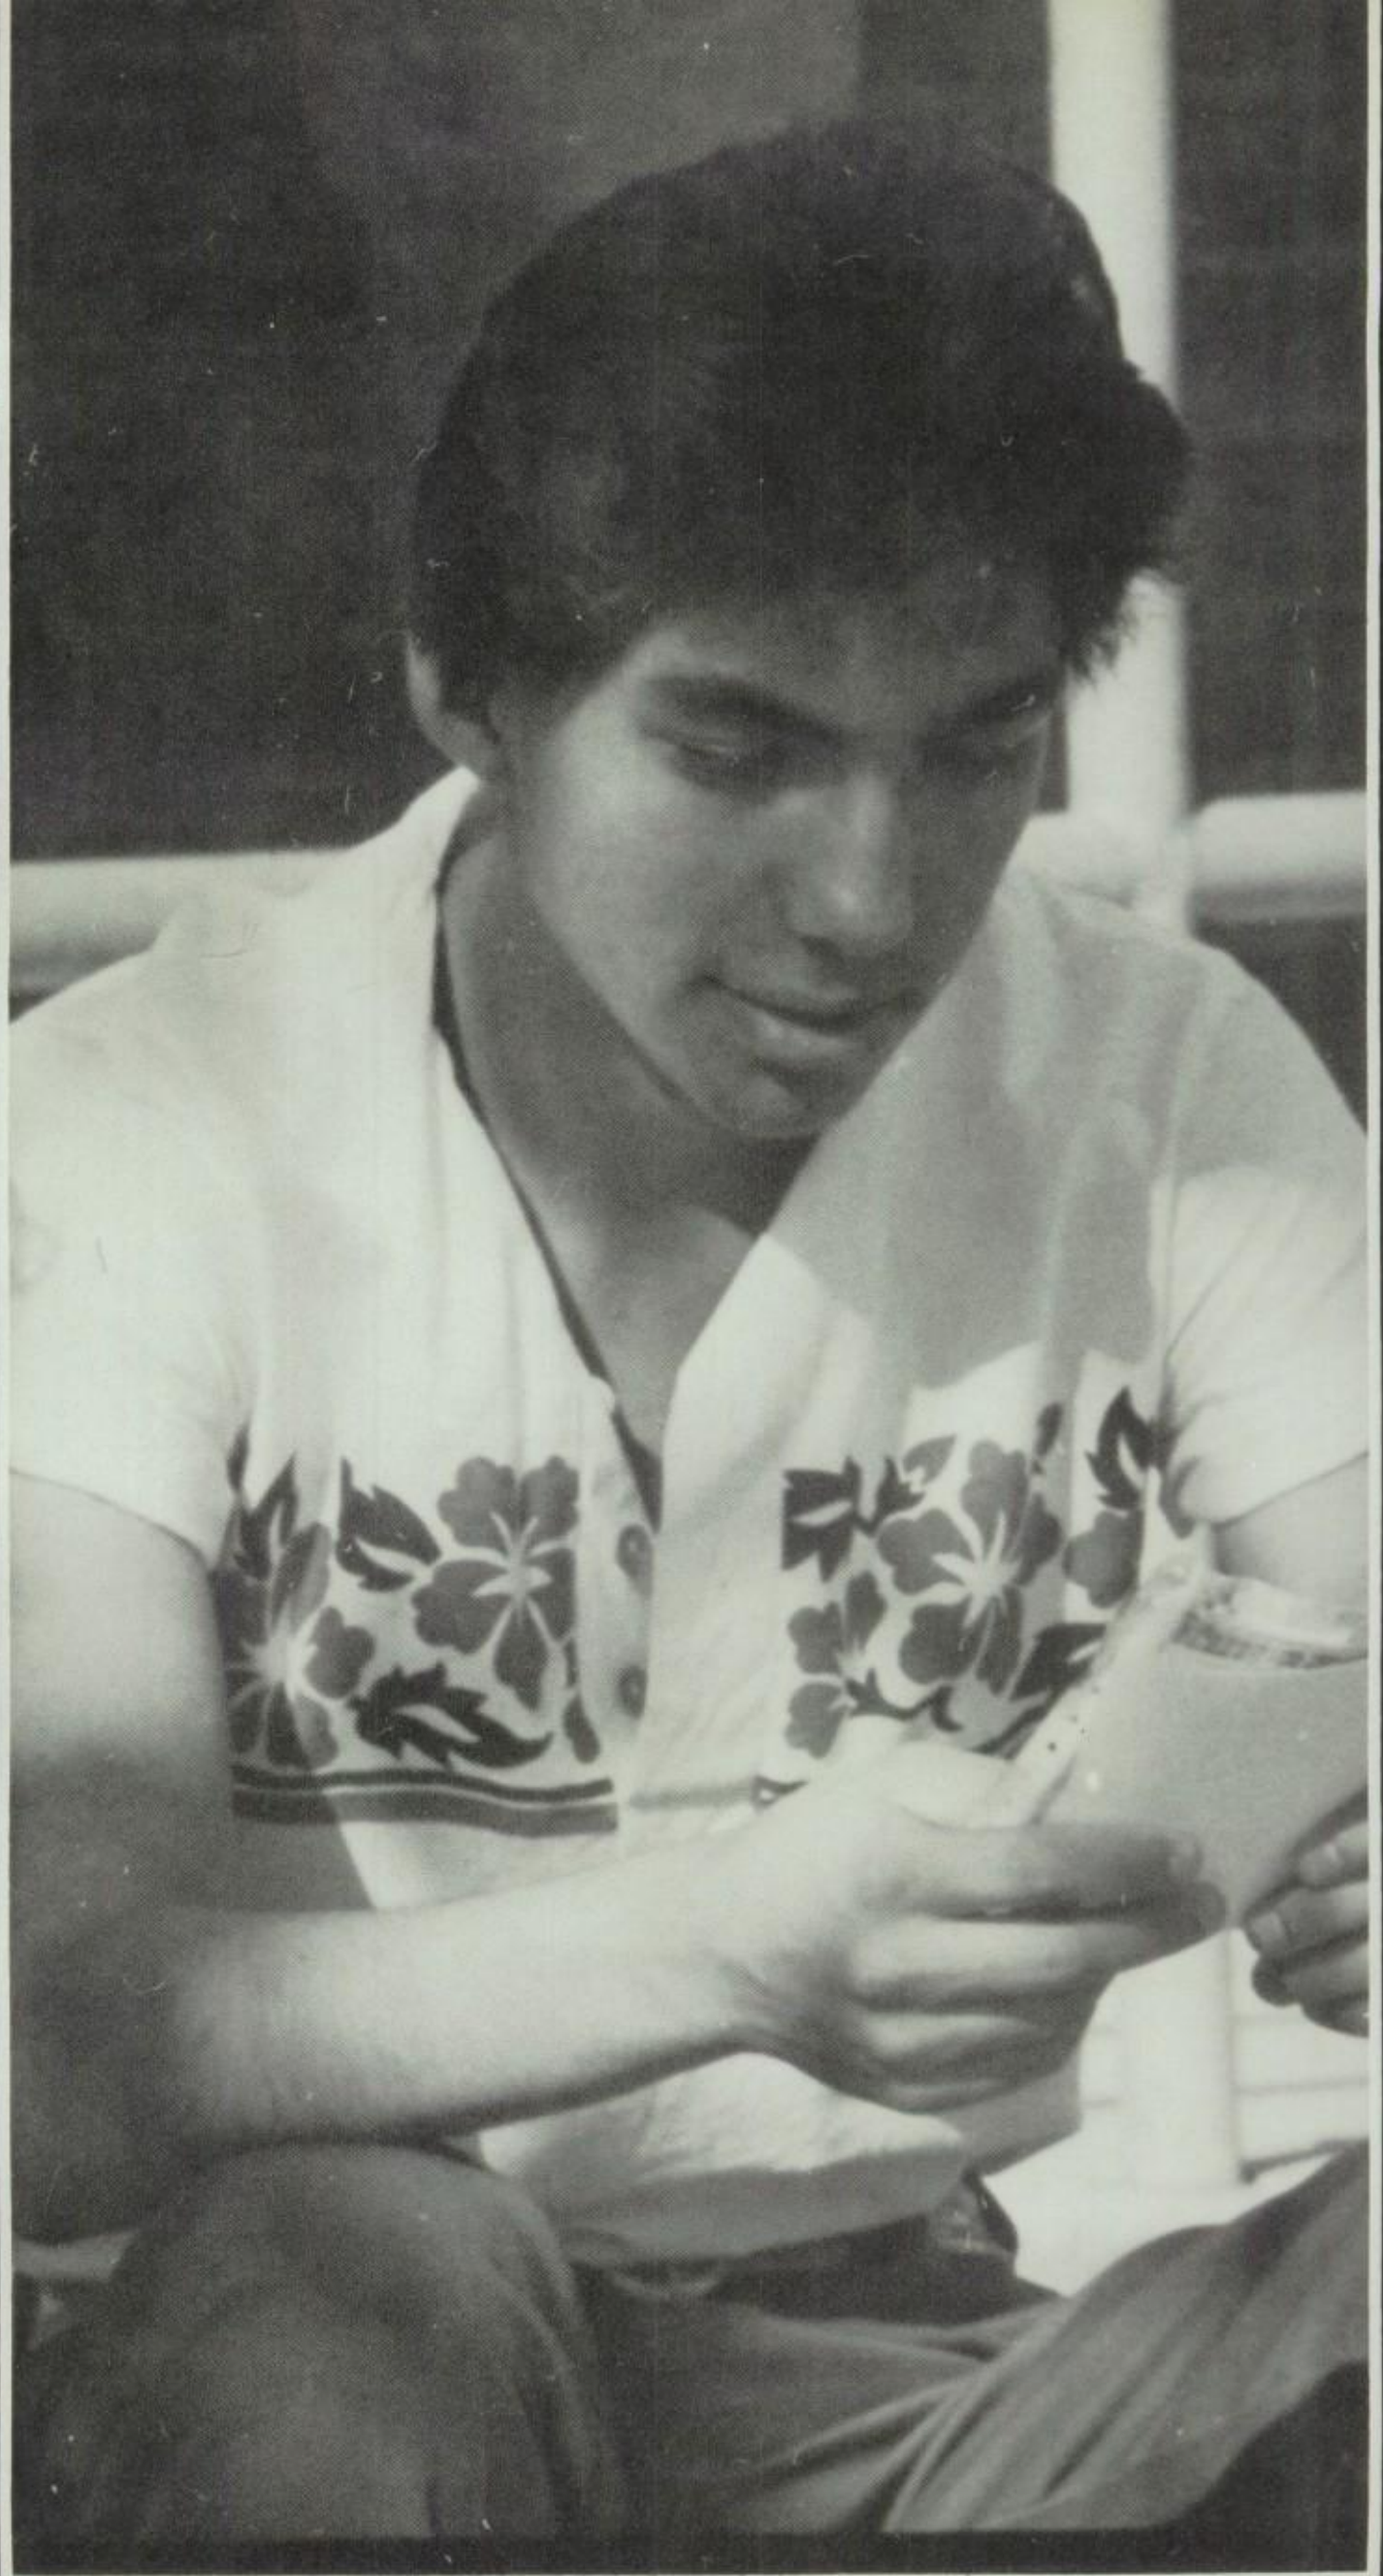

The laughter and tears of a hard year was put into the Round-Up 1980. Mr. Roura's emotional voice, Terry's frustrated but happy comments, Rosa's arguments on layout, Pat D's screaming at Eric, Pat A's complaints about Angel's picture, Eric's clicking rocks, Marcelino's excuses, Rodrigo's nose pulling, Sandy's Rod Stewart, Gabriel and his glasses, Linda and her tears, Lety and Albert, Jesus' photo neatness, Angel's complicated designs and choices, and Debbie going crazy. These are the ingredients needed to make a yearbook.

Front Row: Jesus Cedeno, photography editor; Miguel Roura, advisor; Terry Avila, junior co-editor, sports co-editor. Second Row: Sandy Villa, junior editor, student life co-editor; Angel Gutierrez, faculty editor, leadership editor, senior co-editor; Debbie Sakamoto, chief editor; Eric Leyva, sophomore editor, academics editor; Rosa Chavez, student life editor. Third Row: Dodie Milner, staff; Rodrigo Galvan, clubs and org. editor; Pat Diaz, ads editor. Back Row: Marcelino Rosario, sports editor; photography staff; Linda Sanchez, dedications editor; Pat Alvarez, senior editor. Not shown: Letty Lara, staff; Gabriel Mendoza, photography staff.

ROUND-UP STAFF

Martin Hernandez ponders on what he should write to his loved one in a dedication.

How to make a yearbook Dedication

When you figure out who you're writing it to, you write it out on a dedication sheet. Please print it!

Then you have to count the words. To count the words you have to

know what a word is. o.k. A word is equal to every 5 typing spaces that includes punctuation marks.

Example: ¹my ²love ³hope ⁴we ⁵stay ⁶together ⁷forever.

So you would have 7 words you would forget about the three spaces at the end. After you are through you take it to Room 1 with your money.

Please be sure to count accurately!

Cost

IN MEMORY OF . . .

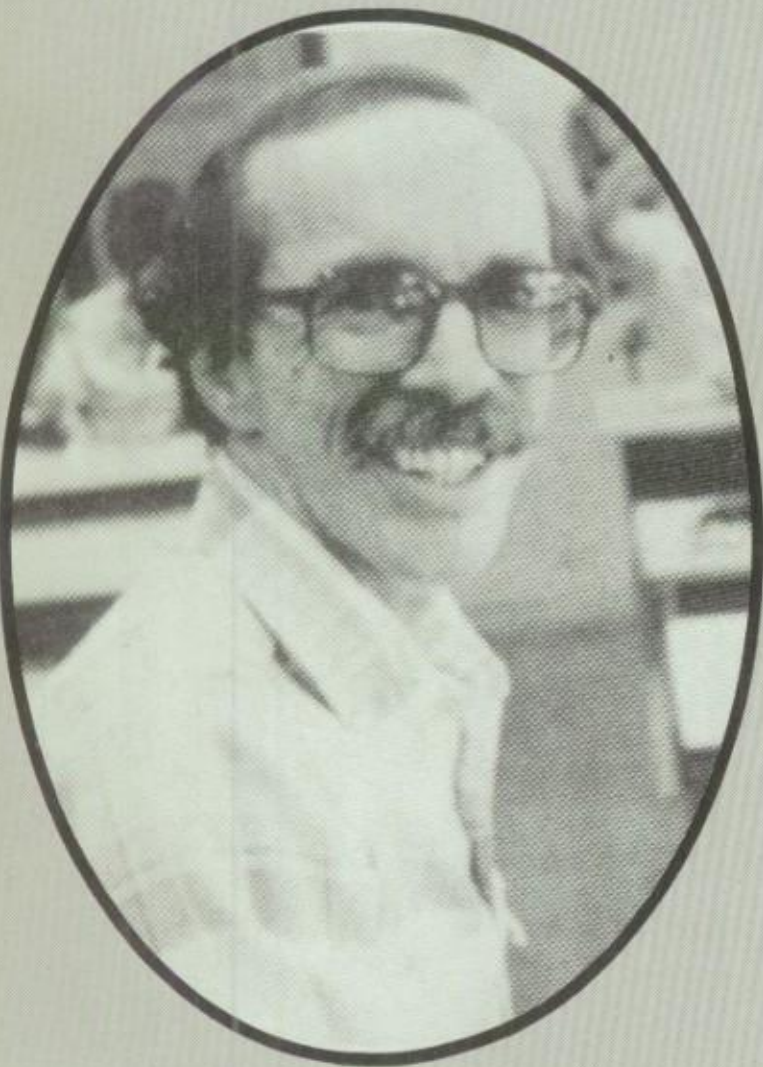

In memory of
Ceser Torreblanca
August 25, 1963 to February 24, 1980

On February 24, 1980, R.H.S. lost a fellow Student & friend, Ceaser Torreblanca; a quiet and sincere person who was loved and respected by his fellow students.

Ceaser was active in photography and tennis, and he was a very devoted Dodger fan. Our deepest sympathy to his family, for he was a son to be proud of.

From all his freinds who
knew and loved him . . .

In memory of our son and brother,
To often and much to win respect of intelligent people and the affection of children:
To earn the appreciation of honest critics, and endure the betrayal of false friends:
To appreciate beauty; To find the best in others; To leave the world a bit better whether by a healthy child, a garden patch, or a redeemed social condition;
To know even one life is to breathe easier because you lived . . .

—This is to have Succeeded—

We Love you,

Torreblanca Family.

In memory of
Mr. Nathaniel (Nate) Stapsky
April 8, 1940 to March 1, 1980

To teach is to love, and that's what Mr. Nathaniel Stapsky did. Mr. Stapsky left us March 1, 1980. He taught at Roosevelt for 16 years in the following subjects: Art, ESL and English. Mr. Stapsky had been admitted to the hospital on Christmas Eve, and was not able to teach this semester.

Mrs. Carmen Terrazas, Assistant Principal, described Mr. Stapsky as being a very sincere person; who loved his job. Working with students was his only concern. There is now a scholarship fund in memory of Mr. Stapsky.

"This is dedicated to the one I love..."

To Carmen and Tony,

True friendship is allowing another to be himself, while expecting his potential. To me you will always both "be somebody" special.

To Rosa,

I hope I have affected you in some way, made you think, made you laugh, as you have done for me. You have been there when no one else was.

Robert Retana

Dear:

Yearbook staff:

It sure has been great living, laughing, crying, and going crazy with you all. Sandy- hope you make it to class!., Eric- watch those marbles, Terry-hope you find your guiding light," Rosa-next time you look at a layout, think of "Claro que si" no? well, O.K. & Mr. Roura- thanks for your yelling, I couldn't have made it without you. And everyone else, Don't worry, I Love you, even If I Don't seem like I do!

Dora:

Your a great friend whom I love like the sister I never had. I'll never forget the 6 great years I've known and grown with you. The dances, the skances, the tears and the laughter, our arguments and all those hours on the phone.

Kathy:

3 years I've known you. I'd say three of the best years of my life. Thanks for the memories we've shared. The beach trips and the flat tires, I loved it all.

Tina:

Don't ever forget those days we sold candy at sears. your crazy but terrific family. Those crazy days of "Foreigner" and "The Stones".

Pat A. (Savage Lover):

My senior year would never have been the same without you. Thanks for being the crazy, terrific, understanding friend you are.

Rodrigo:

Are you Hungry? Thanks for caring, sharing, and being a friend that makes me happy always.

Angel: (Pavo-Lito)

To you I give all my love. Not only for being a friend but because you care, help, and understand.

Thank you for helping me get by my senior year, for making it my happiest in high school. The laughter we shared, the talks we had, the problems we helped each other solve. I've never experienced something quite the same, probably, I never will. The skances, yearbook, the carnival, sportsnite, student council, your ankle, the tears and your cute eyes I hope you'll remember them all in the years to come when you look back into this yearbook.

To everyone:

You've given me memories to cherish that make this year unique from all the rest. I hope my feelings touch you, for it's not easy writing this.

Love,

Debbie A. Sakemoto

Debbie (Cheap Editor) Sakamoto,

You have made my senior year and all the sad, and hard times I have been involved with, happy. You are the girl that understands and cares about me. I thank you for being I feel something very beautiful for you that I can't describe or put into words. You have been a very good

and unforgettable part of my life in high school. Good Luck and Be Careful.

In one way or another you all have helped me to grow and showed me how to be successful. Remember I Love You all like my family.

your friend always,
Angel E. Gutierrez.

Yvette,

How can I express what I feel in my heart in a couple of words? You mean everything to me. You make me by just talking to me. We've been through so much together and we've stuck through all the rough spots. I'm so lucky to have you because you're always there when I need you. You're my one special sweetie and I Love You.

Always, Olga

DEAR: Yearbook Staff,

You have been the closest group, I have belonged to and worked with. even though I complained a lot, I had fun with all of you. I will never forget the happy, funny, sad, and very interesting times we spent together after school, and the times Mr. Roura got upset and made us work harder. I thank you and apologize Mr. Roura for all the problems I caused. Good luck to you, my true friends.

Miss Auerbach,

It was sure a great experience to have you as a teacher. Thank you for the encouragement, you are a terrific teacher.

Pat (you're so fine you savage lover) Alvarez

You have been a very good friend to me. You are what I consider to be a true friend. Be careful in everything you do.

(JOSE)

Rodrigo (Gordo) Galvan

I've known you for 5 years and it has been a great pleasure knowing you. I've sent many good times, interesting times, as well as sad times with you. I hope you won't forget the time we went to "La Terraza Jamay." (Vilma, Elsa).

Don't hit people on the head, they might get dumb; like some people I know.

Control your hunger.

Debbie (Cheap Editor) Sakamoto,

You have made my Senior year, sad and hard times happy. You are a very lovable and understanding girl. I thank you for being such a great friend. And allowing me to be part of your life. I know you care about me, and I also care a lot about you. You will remain, in my heart as an unforgettable part of my high school life. Good Luck! And take care.

You all have been very important part of my life in one way or another. You all have helped me grow and showed me how to be successful. THANK YOU! REMEMBER, I LOVE YOU ALL LIKE MY FAMILY.

you didn't see me the first year. And the second year (half of it) I bet you hated my guts. But we showed everyone that people can change.

next year I know will be your best year ever. And I hope you don't forget me after I leave. And if you ever need me just call.
